Interim Administrators Message

I hope this message finds everyone doing well. I hope you had a safe and happy holiday season. We have had a lot of activities going on at the lodge and it has been great to see some faces that we have not seen in a long time. Both the Friendsgiving and Tom & Jerry Party were great successes. It was nice to casually get together to enjoy good food and friendship. The kids Christmas party was amazing, and we had a some very happy kiddos that enjoyed seeing Santa. The lodge has had the opportunity to do some great community service efforts over the holidays. We had a calendar contest for 3rd, 4th and 5th graders. Thanks to the generosity of our members, we were able to host a pizza and ice cream party for all the participants and their families. Many of our donors and lodge members were also in attendance to congratulate the kids with the assistance of some local fireman. We collected \$1050 to donate to a local organization to adopt some families during the holidays. The lodge also collected canned food for the salvation army. In addition to all these things the poker player donated toys that I had the privilege of delivering the fire department here in Castro Valley. Right now, one of our main focuses with all this wonderful rain that I know is needed is to get our roof fixed. We have noticed some reoccurring leaks and some new ones have formed. Between our volunteers and a new member who is a roofer we have been able to get most of the leaks under control. You will notice over the next year that a lot of fundraising efforts will be going toward fixing this problem permanently opposed to patching it. Once that is complete, we will look at replacing the ceiling tiles. So please keep an eye out for these fundraisers and participate. In addition, if you would like to donate your talents around the lodge, please let us know.

Thank you for all you do,
 Dina Munday

President's Message

I can't believe it is already 2022! I hope this year brings much happiness to everyone and we hope to see more of you back at the lodge. I am happy to report that we are signing a lot of new members. As of right now since May 1, 2021, we have signed up 255 new members. This is amazing news; we hope to see each one of you down at the lodge. As we know signing members is great but need to work as hard to keep the members we have. Our new membership chairman Damon is working hard on his lists to call all members who expired during the last couple years and those whose dues are about to expire. We all need to work on these efforts it has been a tough couple of years, so we all need to reach out to our friends that are members and invite them back to the lodge. It's also a great time to become a new member as the application fee has been waived through January 31, 2022. In the next couple months, we will be painting the main hall so if you are handy with a paint brush, please let us know because we could use your help. A general lodge cleanup will be coming soon as well, and all help will be appreciated. I look forward to seeing you all at the lodge
