Administrators Message

Summer is just around the corner and good weather is coming our way. Which makes me very happy because that means no more roof leaks. We have a few stubborn spots that just don't like the bandages they have been given. We have been having fundraisers and will continue to do so to get roof replaced. So be sure to Join us for our Casino Night on June 4th so we can make a big dent in this fund. Tickets are available in the social quarters. In my position I would like to keep everything transparent with our members, so I want to inform you that we had a surprise visit from the fire inspector and thankfully so. He was able to walk me through all the items that have fell into disrepair over the years and the board and I are eager to get those items fixed and have a safe place for our members to come. So far, we have had the Ansul system serviced (the fire suppression system in the kitchen), the hood in the kitchen is scheduled to be cleaned this week and will be on a set schedule with our vendor. Also we have installed new emergency exit signs throughout the building. We are going through the list one by one and getting things done. So, if you have any skills that might be of use, please let us know as we can always use assistance.

Hopefully by the time you read this message the dining room hall painting will be complete. That item was not on must repair list, but it was a spruce up that we felt needed to be done. Another item on our list is to have the dancefloor refinished so all our amazing dancers can glide across the floor with ease.

We have had some great member participation at our recent events, and we hope it continues to grow. Our St. Patrick's Day Party was so fun, and the food was great, the bunny races were a blast even though my bunny lost in the end. We also had a wonderful installation of officers and chairman, which included great food, music, and friendship. Congratulations to all our new Officers and Chairman I wish you all a successful year.

Enjoy the warmer weather be safe and we look forward to seeing you at the lodge.

Dina Munday

President's Message

Well, the year has come and gone with some remarkable changes and a new year begins with the board and new ideas for activities at the lodge.

I hope this new year will be even better. We have allot planned to better the lodge and grow our membership and attendance and we could use all the help we can get to accomplish this great feat. I hope you will all come and support our endeavors and join in the fun we create.

I am still looking to fill a couple of chairman and appointed officer positions. If you would like more information or are interested in getting involved, please let me or another board member know. We are currently looking for an Outer Guard, Moose Charities Chairperson and Government Relations Chairperson.

I want to thank the board for a great year and look forward to continuing working with them in the coming year.

I also want to give a big thank you to all our volunteers and members who support our events without you we would not be successful.

Senior Regents Message

I would like to begin with a great big "Thank you" to all the ladies who encouraged me to run for the Senior Regent position. Thank you very much for your confidence in me. I am both honored and humbled to be Senior Regent for the 2022-2023 year. It is my fervent hope that in this new year we will be prosperous, as well as charitable, and that we will meet or exceed the expectations of our lodge community by being attentive to the needs of our membership. I have every confidence that we will continue to bring forth activities and celebrations that are up to the very high standards that my predecessors have before me. Tammy Ferman and her board set a very high bar! I would like to thank them for all the high energy, fun community events they coordinated in the last year, as we took our first baby steps out of the shadow of the pandemic. The Easter barbeque was an amazing success! It was very well attended and the WOTM was prepared with lots of food and goodies for the little ones; we never saw them sweat! Very impressive! If you would like to become a Woman of the Moose, or want more information about how you can lend your skills and talents to make our lodge great, we meet every second Wednesday at 6:30 in the main hall.

Let's make the coming year a great one!
Thank you, Bonnie Russell

MOOSE - "MAKE IT HAPPEN!"

May 1, 2022 - April 30, 2023

For the first time in several decades, The Moose is on track to generate an increase in membership, all because you believed that we could Make It Happen. We are telling the world what we are about as a Fraternity, and our missions of helping children in need, our senior members, and the communities in which we operate, are resonating with the public.

Even during COVID, our members continued to make an impact by distributing food to those in need, supporting the efforts of our first responders, and raising money for our two campuses at an unprecedented rate. You made that happen because of your commitment to the Moose and your caring attitude towards others. Now, more than ever, people see the things we do and understand the importance of having an organization that looks out for others at the most critical times.

Our 2022-23 campaign slogan is not only a statement but it is a challenge. Our members make things happen by helping others and showing what it means to be a Moose. To be successful we need to write down our vision and address it every day. Dream the dream, have a plan and Make It Happen!
