Presidents Message

My report on the 2024 International Moose Convention
 This year the International Convention was in New Orleans, and it was informative, educational, very hot and humid. The food was great everywhere you went around the French quarters. There was chicken and daiquiris, Pizza and daiquiris and fried catfish. Along with shopping open 24/7. We walked Bourbon Street, listened to some good music and took a paddle boat down the Mississippi River. However, most of my time was spent at the air-conditioned Convention Center. First morning I went to the Moose Legion Breakfast, listened to Chuck Barber about his President's project which started out to be a Tractor for Moose Haven and ended up being a Tractor, Chipper and garden tools. Then he turned over his gavel to Vice President Ronnie Serio. Met up with Liz, had some lunch then took in a workshop later that night, the grand opening session. The next two days were pretty much the same sessions and workshops, all very interesting and informative. But I will have to say that one of my favorite things was meeting Moose members from all around on the street, restaurants, airport and talking about their lodges and me talking about ours.
 Women of the Moose: A gain in membership of 1001.
 Chairman of the Board John Sipes hands his gavel to Bob Funky. One million members is the goal for next year.
 Over 4000 Moose Members attended this year's Convention. Finally, Hay/CV Lodge 1491 received the première Lodge Award.
 Thank you all for sponsoring me to go to this convention
 Sincerely, Blaze Hayes, President of Hay/CV 1491

Administrators Message

The summer is about to end and soon the holiday months will be upon us. We have many great events through the end of the year so be sure to check them out. We can continue to put on great events but without the support of our members they cannot be successful.
 The regular football season will be in full effect and to accommodate that we will now be open earlier starting at 10am on Sundays and not closing until 8pm. We may stay open later depending on the crowd but that will depend on both the games and the crowd. We will be planning many fun things during the football season including food specials, like walking tacos, hot dogs and other things. We will also have giveaways during some games. So be sure to come on down so you don't miss out.
 Our next big project at the lodge is to redo our back parking lot asphalt. Over the last months we have been working on the far back parking lot as many members had concerns about the number of items being stored back there. By the time you read this article the hauler will have already come to clean up most of the lot. While it is still a work in progress, we are on it. Now back to the new asphalt. This job will cost tens of thousands of dollars to do. We have a few quotes and want to get this done by next summer. We have one fundraiser in place right now. If you come into the lodge social quarters, you will see on the mirror there are 200 envelopes numbered \$1 through \$200. We are asking for donations of an amount you are comfortable with. If you would like to donate \$5.00 then take the envelope with that dollar amount on it, put the cash or check in the envelope and give it to the bartender on duty. Once all envelopes are spoken for, we will have raised \$20,100.00. Not bad for the cost of 2 boxes of envelopes. But we need your help to make this a success so come on down, enjoy a meal a drink or some friendly conversation and grab one of those envelopes and be a part of making our new parking lot a reality. Thank you in advance for your support.
 We hope to see you down at the lodge either volunteering or attending one of our events or just hanging out. Remember, be proud to show your membership card as the bartenders will be asking. We do this to protect our tax-free status. Also, why should nonmembers enjoy the same privileges as our members we need to protect our lodge.

Senior Regents Message

I am truly re-energized as the Senior Regent of our Chapter, having attended the Moose International Convention in New Orleans at the end of July. As a Board Member of Women of the Moose (WOTM), I have been involved in writing/ mailing donation checks to Mooseheart and Moosehaven every month for our special projects, and Scholarship and Maintenance for years.

At convention, I was again reminded of the "WHY" that Chapters do the work they do, why we fundraise and send those checks every month. At the convention, I met Helen Taylor, the Executive Director of Moosehaven who is sweet and warm and a committed part of Moose. In talking to her, I learned that the senior residents at Moosehaven "do not want for anything." Helen emphasized that the people living in the retirement community that she works at everyday are truly taken care of, in large part because of the work that Moose WOTM Chapters do. We (Fannessia Williams, our current WOTM Secretary, and our Lodge Board Member, and I) also were able to meet Gigi Peterson, our WOTM Sunshine Grandparent, who we "adopted" through Moosehaven Sunshine Grandparent Program who is an absolute BALL OF FIRE! We will continue to send her cards and goodies, to enrich her life (and ours too). The 10 graduates from Mooseheart this year were granted scholarships in the amount of \$314,660; that is an impressive number. I am always inspired to hear from/meet Mooseheart graduates. I was moved when I heard a speech given by Mooseheart Graduate Gunnery Sgt. Carmen Nicholson. Mooseheart honestly produces adults that are not only successful, but part of their upbringing there genuinely influences them to make contributions to whatever they are involved in. They are taught a lifelong lesson to serve their communities. This is a valuable reminder for me, a parent of a "tween." Surely if Mooseheart can do this, I can too... Being part of WOTM, which I learned at convention is the largest women's fraternal organization in the world, makes me beyond PROUD! Cheers, Renee Belk Senior Regent

HAVE YOU MET??

EACH NEWSLETTER WE WILL FEATURE A SPECIAL LODGE MEMBER

BILL QUARRY

Bill has been a member of the Moose Lodge since 2000. Prior to being a member Bill was a promoter of bands. He would rent the lodge hall and have dances. This went on from 1958-1960. Lots of young adults dancing the night away. Bill went on to promote some great bands. That career went on from 1958 to 1983. Also, during that time Bill was drafted into the Army from 1960 to 1963. He was with the Military police. He also owned Frenchie's night club in Hayward for 3 years. Live music and lots of dancing. Bill has also owned Minit Printing for 55 years. He has also written 3 books on his promo days. Personally, I would love to read one.

Bill was born in Utah. When he was 8 the family moved and settled in Castro Valley. He then married and had 1 son. He also has 1 grandson. He has done lots of traveling. Bill is a young 88 years old.

If you come down to the lodge on Saturdays, you will find him playing cards. Sometimes his group will play all day.

Thanks, Bill, for all the support you give to our lodge.

MOOSE LEGION NEWS

Every Lodge of the Moose Fraternity has a “Lodge Moose Legion Committee”. The mission of this committee is to provide a greater service to it’s Lodge in terms of increased fraternalism through activities, events and volunteerism. The success of this mission is measured in terms of increased membership, strengthened social networks, and an improved sense of self worth simply by participating in the events and activities held by this committee’s efforts.

Our committee meets each month on the 2nd Tuesday at 6:30pm. This committee works with the Lodge Activities Committee and the WOTM Chapter 934 to organize and hold events that benefit the Lodge, Moose Charities or the community directly. The Lodge calendar shows all the events going on in our Lodge, and your attendance is greatly appreciated. If you’d like to learn more about this committee, wish to volunteer, or have an idea for an upcoming event, please reach out to me at sec.alacosta70@gmail.com or text me at (510)506-4314 and I will do my part in getting you involved or your ideas put into motion.

All of us at HCV Moose Lodge 1491 appreciate your continued support, and we hope to see you at the upcoming events!

Fraternally,

Damon Russell
