Senior Regents Message

Hello and Happy Summer!

Our Woman of the Moose Chapter 934 has been super busy! We recently celebrated with 3 new Academy of Friendship recipients as the WOTM hosted a beautiful brunch! Congratulations to Annie Smith, Cheryl Branin and myself for getting our PINS, what an accomplishment!

We continue to have our bake table every Friday in the social quarters, come check out our table every week as we have different sweets! Thank you Earlene our bake table host for always taking care of us members! In July we have our Annual Xmas in July! Sunday July 26th 10am-3pm with our local craft vendors, come out and shop. Support local vendors as its never too early to start shopping for the holidays!

Keep an eye out for more events to come! And if your interested in learning about Woman of the Moose please ask me about all the wonderful things we do for our lodge, chapter and community!

Jojo, Senior Regent Chapter 934 WOTM

ADMINISTRATORS NOTE

As we move into summer, there is a lot of excitement happening at Hayward/Castro Valley Moose Lodge!

Our lodge continues to make improvements that enhance both the appearance and functionality of our home. Members may have noticed the new benches in both the front and back of the lodge, providing comfortable places to relax, visit with friends, and enjoy fellowship. To support the new front benches, we removed the old brickwork and installed a new concrete pad, creating a sturdy, attractive, and long-lasting foundation that improves both the look and safety of our entrance.

One of the biggest improvements on the horizon is our back parking lot resurfacing project. This investment in our lodge will provide a safer, cleaner, and more welcoming experience for our members and guests. Projects like this are only possible because of the support and dedication of our membership, and I am grateful for everyone's commitment to keeping our lodge moving forward.

Inside the lodge, many of our members recently volunteered their time to help give our hall a fresh new look with a much-needed paint project. The transformation has been amazing, and I want to personally thank everyone who picked up a paintbrush, moved furniture, cleaned up, or simply showed up to help. Volunteerism is what makes our fraternity strong.

Summer is also shaping up to be one of our busiest seasons yet. We continue to host our monthly Car Shows, Board Game Sundays, Karaoke Nights, Blood Drives, and many other activities that bring members, families, and our community together. Looking ahead, we are excited to host the Moose International Cornhole Tournament in August, which will showcase our lodge and the hospitality that Hayward/Castro Valley is known for.

What makes me most proud is not the improvements to our building, but the people who make them possible. Every event, fundraiser, volunteer project, and community service effort is a reflection of members who care about each other and care about making a difference.

As we continue to improve our lodge and expand our programs, I encourage everyone to get involved. Attend an event, volunteer for a project, bring a friend, or simply stop by and enjoy the fellowship. Together, we are building more than a lodge—we are building a stronger Moose family.

Thank you for all you do to support Hayward/Castro Valley Moose Lodge #1491. I look forward to seeing you at the lodge soon.

PLEASE JOIN US AT 6:30 TO LEARN MORE ABOUT THE
MOOSE LODGE AND WHAT IT IS ALL ABOUT.

Membership Report

Welcome to the 2026/2027 Moose Year! All of our members and our new Board of Officers are working hard to help make this Lodge better than ever before. This is a perfect time to talk about this year's Campaign, "GROWING TO SERVE". As the Moose Fraternity reaches its Million Member mark, the membership has increasing resources and "people power" to make good things happen. This is happening on the international level, the California-Nevada Moose Association level (among others), on our District level (also among others) and on our own Lodge level. The Moose is STRONG.

Your own Lodge is nearing the 1500-member mark. That is a pretty significant number, and it grows year after year. While the number is impressive, the commitment of the membership is really the most impressive of all. Our membership has accomplished SO MUCH in just the past few years! As I write this, a brand-new parking lot is being laid down. A REALLY NICE ONE! Our members have provided the need, the means and the opportunity to make this happen. Our members have also provided the need, the means and the opportunity to replace the roof, the A/C system, remodel 2 bathrooms, replace the benches outside, the seats in the Social Quarters, new paint in the main Hall, a new BBQ for the Lodge and more! <whew!> YOUR Lodge is getting better because YOU care.

The Moose is GROWING. This Lodge, along with the others is increasingly committed to serving its members, the community, Mooseheart, Moosehaven, Camp Ross and all that dwell within.

The Moose is GROWING TO SERVE.

As your Membership Committee Chairman, I'm proud to say I'm here for it all. YOU are awesome. YOU did this. Be PROUD of what YOU have accomplished, and together we'll continue to do even greater things in the days ahead.

Times are tough out there. There's no way to sugar coat that. Despite all that, our bonds grow stronger. Our resources are growing greater. Our Herd is stronger than EVER BEFORE.

Don't forget to stay hydrated!

Much love,

Damon Russell, Membership Committee Chairman

MOOSE LEGION

Progress is being made on our biggest event of the year: Our 3rd Annual Rib Cook-Off. We still need Vendors, Contestants, Volunteers and Sponsors. This event takes place on August 1, so the clock is ticking! Reach out to myself or Mark Watson if you're able and interested in any way. There are flyers all over the Lodge, with a QR code with all the details. We meet every month on the 2nd Tuesday at 6PM in the card room to discuss progress, ideas and the next project. Come on down and see what we're up to! You do NOT have to be a Moose Legionnaire or even a man to come to the committee meetings. We have fun brainstorming over food and drinks, and YOU'RE INVITED! Look for the flyer elsewhere in this newsletter. Tell your friends, because we REALLY need attendees that like to eat!

In other news: Our Lodge Moose Legionnaires has grown in number over last year, thanks to Robert Walton. If you're one of the 100+ Moose Legionnaires in our Lodge, come meet the rest of the Moose Legion crew! You'll be glad you did. They're all an awesome bunch of guys.

Donations Needed for Upcoming Annual Convention – Sparks, Nevada

This September we will be attending the **Annual Convention in Sparks, Nevada**, and the **California Nevada Moose Association Heart of the Community Committee** needs our help.

They are currently collecting the following donations:

- **Throw Blankets** – handmade or store-bought
- **Tommy Moose stuffed animals**
- **New toys**

The **blankets and Tommy Moose dolls** will be donated to the **local fire department, police department, and hospital** to help bring comfort to those in need. The **new toys** will be delivered to the **Ronald McDonald House**, where they will be given to children receiving medical care and their siblings as they go through one of the most difficult times in their lives.

While the convention is still a few months away, I wanted to get the word out early so we can come together and make a **strong showing of support**. Let's demonstrate what the members of **Hayward/Castro Valley Moose Lodge 1491** can do when we work together and show how much we care about our communities. If you would like to donate, please bring your items to the lodge.
