**Presidents Message**

It's an honor to step into this role. As I take my first steps as your President, I've been thinking a lot about what makes this Lodge more than just a building. To me, it's the **heart** we put into it and the **compassion** we show one another. My goal for this term is simple: I want to lead with kindness so that we can pass down a thriving, healthy organization to the next generation. We aren't just members; we are the **stewards** of a legacy built by the hard-working men and women who came before us. They laid the foundation, and it's our job to ensure the roof stays strong for those who follow.

That being said, a Lodge should be a place of joy! I want to foster a **spirit of fun** in everything we do. Whether we're organizing a fundraiser, hosting a dinner, or just grabbing a drink at the social quarters, let's do it with a smile. When we enjoy each other's company, we become a better support system for every generation in our community. I'm looking forward to a year of growth, laughter, and service alongside all of you.

Thank you  
 Bonnie Russell

**Senior Regents Message**

Hello to all my fellow Moose Members! My name is Joanna, but you can call me Jo! I am so excited to be a part of leading the WOTM Chapter 934 for the Castro Valley/Hayward Lodge as your NEW SENIOR REGENT! A little background about me, I was born in Castro Valley and pretty much have lived here majority of my life! I am married and have 1 son. I work for Stanford Healthcare and on the weekends, you can catch me helping at the lodge behind the bar or helping a hand with some events we have going on! I really enjoy hanging out at the lodge and have met many good people who are now my good friends. I hope to build the lodge up by recruiting more members! Members of all ages! I want the lodge to be a fun and safe place for everyone! My plans for the WOTM are to build the numbers in attendance at our monthly meetings and get new WOTM members to join! I want to plan more activities and have more lady's night outs, whether it be a painting party or some craft event, something that gets us together! I want to really spread the word in the community about our events, especially the ones we do for our local children! I would love to hear any ideas you may have and can't wait to get to work! If you see me around the lodge come say hello! I'd love to meet you! With that said, LET'S GO 2026 WOTM!

Sincerely,  
Joanna, Senior Regent

## ADMINISTRATORS NOTE

As we begin a new Moose year, I would first like to extend a sincere **thank you to our outgoing Board of Officers and the Women of the Moose officers** for their time, dedication, and service to our Lodge and Chapter. Their efforts throughout the past year helped keep our lodge moving forward and continue the tradition of service that makes our fraternity special.

I would also like to **welcome our incoming officers** for both the Lodge and the Women of the Moose. With **Bonnie Russell serving as Lodge President** and **JoJo leading the Chapter as Senior Regent**, I am confident that we are heading into another successful year. Their leadership, along with the support of our officers and members, will help ensure that our Lodge and Chapter and Moose Legion continue to grow and thrive.

We have **many goals ahead of us and a full calendar of activities planned** for the coming year. One of our larger projects that we are continuing to work toward is **improving and eventually replacing our parking lot**. In addition, there are several smaller projects around the lodge that we hope to accomplish with the help of our members, such as **sprucing up the interior with a fresh coat of paint** and other improvements that will help keep our lodge looking its best.

As we all know, **it truly takes a village to make a Moose Lodge work**. From volunteering at events to helping with maintenance projects, every bit of involvement from our members helps keep our lodge strong.

While we work hard to maintain a **full and active calendar**, we are always open to new ideas. If you have suggestions for events or activities you would like to see at the lodge, please feel free to share them. Member input is always welcome and appreciated.

Thank you for everything you do to support **Hayward/Castro Valley Moose Lodge #1491**. Together, we can make this another great year for our lodge, our chapter, and our community.

Fraternally,

**Dina Munday**

Administrator

### NEW MEMBER ORIENTATION

\*JUNE 30, 2026

PLEASE JOIN US AT 6:30 TO LEARN MORE ABOUT THE  
MOOSE LODGE AND WHAT IT IS ALL ABOUT.

*The Women of the Moose*  
*Chapter 934 Member of the Year 2025-2026*

# *Cheryl Branin*

**The 2025-2026 Chapter 934 Member of the Year enrolled on April 6, 2011. She immediately became involved, and in 2012, served as Chairman of what was then known as our Health Awareness Committee, earning her Academy of Friendship Degree. She was finally conferred with that degree in Costa Mesa on March 22, 2026.**

**For a few years, she lent her efforts to the Financial Review Committee and then stepped up to be the Special Chairman of the Financial Review Committee for the years 2024-2025 and 2025-2026.**

**Cheryl has been very consistent throughout her years of membership with fundraising for Chapter 934, by donating her baked goods to our Friday Night Pastry Table. Often, on Friday nights, you will find her volunteering her time at the Lodge helping at the Pastry Table.**

**She is a valuable member to the Hayward/Castro Valley Chapter #934. We thank her for all her contributions.**

## **MOOSE LEGION**

As we bring this “Moose year” to a close, I would like to thank our Moose Legionnaires for fulfilling our mission: To increase Fraternalism, to increase membership, to increase the strength of our Lodge and to HAVE FUN! We did all those things this year, and we’re going to continue in the 2026/2027 Moose year and beyond. Our Lodge is stronger, our Moose Legion is stronger and we’re having fun at the same time, Thanks to you! While our Lodge Moose Legion committee is the basis of this report, I’d like to share that our “Mother ship”, Alacosta 70 Moose Legion is turning 100 years old on January 18, 2027. We plan to hold a centennial celebration at Hayward/Castro Valley Lodge on that weekend. Join us in our social committee meetings so we can plan this exciting event! We meet at the Lodge on the 2<sup>nd</sup> Tuesdays of the month at 6pm. These are informal, social committee meetings, so bring your ideas and a beverage of choice and let’s brainstorm together!

They are currently collecting the following donations:

- **Throw Blankets** – handmade or store-bought
- **Tommy Moose stuffed animals**

## Moose Lodge Needs Your Help

Over the past year, our lodge has made several important improvements to our home. Thanks to the dedication and generosity of our members and volunteers, we have completed many upgrades including remodeling both the men's bathrooms, purchasing new furniture for the social quarters, installing new lighting in the hall, and replacing one of our HVAC units. These improvements have helped make our lodge more comfortable and welcoming for everyone.

However, our biggest project still remains just out of reach — repaving our parking lot.

A safe and well-maintained parking lot is essential for our members, guests, and the many community events we host. While we are incredibly grateful to those who have already donated toward this project, we are still short of the funds needed to make it happen.

This is where we need your help.

We are asking for support in three important ways:

### 1. Donations

Every contribution helps move us closer to completing this much-needed project.

### 2. Fundraising Ideas

If you have creative ideas for fundraising events or activities, we would love to hear them and work together to make them happen.

### 3. Skilled Volunteers

If you work in construction, paving, concrete, or related trades — or know someone who does — we would greatly appreciate any donated time, expertise, or resources that could help reduce the cost of this project.

The Moose has always been about neighbors helping neighbors and members supporting one another. Together, we can complete this project and continue making our lodge a place we are all proud to call home.

If you would like to donate, volunteer, or share ideas, please reach out to the lodge.

Thank you for supporting the Hayward/Castro Valley Moose Lodge.

# Membership Committee report

You're probably aware by now that our "MOOSE YEAR" ends on April 30 th . That means I'm writing this news in the 2025/2026 Moose year, and you'll be reading it in the 2026/2027 Moose year.

So, how are we doing? For starters, our Fraternity is rapidly closing in on the "Million Member Mark". We'll very likely hit that goal in 2026, probably before summer is over. We've grown by over 50,000 overall, which speaks volumes about the strength of our herd. Your Lodge has grown, too. We're up 135 members as I write this, and we're closing in on the 1500-member mark. THAT IS INCREDIBLE! Thanks to you, our Lodge is a warm and welcome place for so many in the community to socialize and do good things together. We're coming up on our Lodge's 80 th birthday, that day being March 24, 2027. I'm confident that our Lodge's Charter members would be proud of the strength of our Lodge, our relevance in the community and our ability to continue to be a place where friendship bonds are strengthened through our volunteerism and dedication. We'll have a new Board of Officers running the show by the time you read this. They, just like the 79 boards that came before them, will work to make things even better this year. One area we all need to work on is that of the Women of the Moose and the Moose Legion. These two "arms" of the Fraternity are essential to keeping Lodge functions running smoothly and efficiently. If you're not part of one or the other, please reach out to me. I'll be happy to talk about the value and benefit of membership in these "higher degrees" in terms of benefit to the Fraternity as well as us personally.

Lastly, I'd like to touch on the "Fraternal Recognition Program", which was launched this past year (look for the QR code in this newsletter!). Even if you don't care for the recognition or the benefits, please do it for your Lodge. It's easy to do; most of us are already doing the things required for the recognition, we're simply not recording it. I will help you do all the things necessary to get you in the program. If for no other reason, it will reward you with 10,000 Rewards Points, which can be used to pay Lodge dues or buy merch! Don't know about the Rewards Points program? Oh, boy, we need to talk! Please come see me in the Social Quarters or call/text me at (510)506-4314 or email me at cvmoosemembership1491@gmail.com and I'll catch you up on all the awesome things happening in the Moose world!

Fraternally,

Damon Russell
