

Green Cleaners

Eco-Friendly

Did you Know?

For over 160 years, ARM & HAMMER™ Baking Soda has been a natural and affordable way to clean and freshen all around your home. Baking Soda is pure, safe, and effective, which makes it a great alternative to using harsh chemicals.

Families use Baking Soda in hundreds of different ways. It cleans, deodorizes, helps bake up perfect cookies, and more! Safe around kids and pets; no other product does more throughout your home.

- Sprinkle a little in smelly shoes to deodorize them
- Make a paste to gently scrub away scuffs and crayon marks from walls
- Sprinkle on a damp sponge to clean stainless all around the kitchen without scratching
- Mix a pinch with your facial cleanser for a gentle, yet effective, exfoliant
- Sprinkle on carpets, wait 15 minutes, then vacuum up smells
