

INDUSTRIAL HAND CARE SOLUTIONS

DERMATITIS

With an estimated annual cost exceeding \$1 billion, occupational dermatitis is one of the most prevalent industrial skin diseases in the United States. Also known as contact dermatitis, it is the inflammation of the skin caused by contact with damaging substances such as solvents, chemicals, irritants or allergens. Those working in industrial environments are most at risk.*

Symptoms include soreness, redness and intense itching of the hands. According to Occupational Health & Safety, many cases of dermatitis will result in an average of two months away from work. If it is not treated quickly and effectively, more serious long-term problems may develop.

REDUCING THE RISK

Implementing a hand care program with Kutol Pro hand cleaners can help keep employees' skin healthy and reduce the risk of occupational dermatitis. These formulas outperform the competition by removing soils in just one application, instead of repeated applications. Select the most effective product based on the type of soil.

Soil Description										
Kutol® Pro	Grease	Motor Oil	Heavy Soil	Carbon Black	Paint	Printer Ink	Varnish	Tar	Cutting Fluids	Adhesives
Regal F052 <i>Plant oil-based solvent / Walnut shells Tan with neutral fragrance</i>	★★	★★★★	★★★★	★★★★	★	★★	★		★★★★	★

The Science Behind Heavy Duty Hand Cleaners

Solvents: reduce the surface tension of water, disperse soils and make unwanted particles easy to remove.

Surfactants: help water spread out and attach to dirt molecules, enabling lifting and removal of dirt.

Natural scrubbers: naturally-derived pumice, walnut shells and perlite, reach tiny places and scrub away tough soils.

Synthetic scrubbers: wax-based paraffin is biodegradable and performs as well as plastic scrubbers.

Low VOCs: all Kutol Pro hand cleaners are under the 1% volatile organic compound (VOC) limit, they evaporate easily and are better for the environment.

Kutol Pro hand cleaners have been precision-formulated with just the right blend of dirt removers!

For shower and locker rooms

Hair & Body Shampoo

- Cleans and conditions hair and skin
- Rids body of odors caused by sweat and dirt
- Clear blue color with aloe scent
