KUTOL

Hand Care Specialists

*Kutol is your solutions-driven manufacturer of commercial skin care products and dispensing systems. In operation for more than 100 years, we are driven by our purpose of **Clean Hands for a Healthy World.***

Through our brands Health Guard® and Kutol® Pro, we offer tailored hand care solutions designed for the away-from-home market. As a trusted partner for facilities across the US and Canada — including education, food service, industrial and manufacturing, general office and healthcare — you can take confidence in knowing that your customers, employees and visitors will be in good hands using products by Kutol.

General Purpose Skin Care

Heavy Duty Hand Care

All skin care products are manufactured in the USA in Kutol's LEED® Silver certified, FDA-registered facility. Our commitment to quality means we follow the most stringent government guidelines and are in compliance with Current Good Manufacturing Practices.

The Kutol Difference

We make five promises to our customers and partners that set us apart from other manufacturers:

STABILITY – Founded in 1912, we are a successful, family owned and operated business with more than 100 years of expertise in the skin care industry.

FLEXIBILITY – Being nimble and responsive gives us the ability to tailor private branded skin care programs with an unmatched level of expertise.

INNOVATION – We develop products and systems that perform smarter, with unique benefits that save end users time and money.

VALUE – Fair pricing and freight policies ensure competitiveness; investments in quality ensure our customers receive the most for their spend.

SUSTAINABILITY – Operating in a LEED® Silver certified facility signifies our commitment to eco-friendly practices. Several formulas in our product portfolio have been tested and certified to meet or exceed environmental standards.

TOPFILL™ COUNTER MOUNT

Using a patented refill dock and resealable product bags, this innovative system refills from above the counter. TOPFILL eliminates the need to remove ADA panels or crawl under the counter to change refills. When refilling, soap flows into the reservoir then stops automatically once the reservoir is full – a quick, clean and convenient process.

- Saves labor time and dollars
- No messy soap spills or leaks
- No waste from partially filled cartridges
- High quality foaming soap refills
- No crawling on the floor for unsanitary, labor-intensive refilling
- Eliminates risk of cross-contamination

Patented design—refills from ABOVE the counter!

Foaming LUX Hand Washes For TOPFILL no touch dispensers only

Extra soft foaming LUX hand washes from Health Guard gently and effectively cleanse skin for a luxurious handwashing experience. Ecologo® certified for reduced environmental impact, each refill bag provides approximately 2,000 handwashes.

DECO Custom Dispensers

Manual and No Touch M-Fit

6-pack refill system

A logo, image, mascot or message is printed directly on the large 3.5" x 3.5" front panel. DECO dispensers are stylish, durable, and put brands front and center.

- Digital UV printing – not a decal or sticker
- Low 24 order minimum
- Manual and No Touch M-Fit use the same Health Guard 6-pack refills

BULK GALLONS

Economical and easy to use, gallons can be the best choice for many general purpose applications. Health Guard gallons are available in flat-top and pour-top.

Insert a pump and dispense the product directly from the gallon container or use it to refill smaller bottles. Add a convenient jug bracket to create a wall-mounted dispenser!

In addition to gallons, most formulas can be supplied in 55-gallon drums or other customer-specified packages.

A Legacy in Hand Care

For more than a century, Kutol Products Company has been a leading manufacturer of commercial skin care products, producing hand soaps, sanitizers and heavy duty scrubs that promote health and hygiene in workplaces across the United States. From humble beginnings as a seller of powdered hand cleaner, Kutol has grown and evolved over the years, thanks to the innovation and dedication of its founders, TeamMates, customers and partners.

Dedicated to Quality

We ensure compliance with regulatory requirements by following standardized work processes developed under Current Good Manufacturing Practices, fostering a culture of continuous improvement to enhance value for our customers. Kutol's meticulous oversight throughout the production process includes on-site quality control, laboratory services and a chemistry team with over 120 years of combined experience. This centralized approach streamlines stability studies, process, cleaning and packaging validations, micro testing and monitoring, while guaranteeing that products consistently exceed expectations.

Commitment to Sustainability

Kutol's purpose of **Clean Hands for a Healthy World** embodies our commitment to sustainable hand hygiene. We take action to create a more sustainable world by incorporating earth friendly practices in our business – from product development and packaging designs, to manufacturing processes and operational investments. Our Green Seal®, USDA BioPreferred® and ECOLOGO® certified skin care products help protect environmental and human health and are manufactured in our LEED® Silver Certified facility.
