## LARGE ENOUGH TO SERVE SMALL ENOUGH TO CARE

A lot has changed since 1953, but one thing that hasn't changed is our commitment to distributor success.

The **LASSWELL DIFFERENCE** is that we pride ourselves in providing exceptional customer service support. Our sales support team has years of industrial channel knowledge and proven success at helping distributors grow their business.

The Lasswell Team takes great pride in partnering with our distributors by offering an additional dimension to their inventory resources. Immediate availability is an asset that businesses from all industry groups can use to their advantage. By "bundling" selections from our variety of lines, the distributor can also reduce their inventory costs.

## WE WILL ALWAYS BE YOUR SUPPLIER, NEVER YOUR COMPETITOR
