# PRODUCT GUIDE

ISSUE 64

Since 1961, Tolco Corporation has set the standard for innovation and quality. As a third-generation family-owned business, we take pride in our history of excellence across a diverse range of industries, including Janitorial, Industrial, Food Service, Animal Health, and Beauty and Barber. Our expertise isn't just limited to our industry-leading trigger sprayers and pumps; we offer an extensive portfolio of restroom supplies, cleaning tools, floor & window accessories, and safety items designed to meet the multifaceted needs of our clients. In addition to our wide range of products, we provide specialized services such as private label imprinting, hot stamping, and custom packaging to ensure our clients' brand can shine through in a way that feels authentic to them.

Based in Toledo, OH, our personable and experienced customer service team is always ready to assist, eager to offer guidance through our product line to help you find the right solutions for your business.

While much has evolved since our founding in 1961, our values have remained unchanged. We are dedicated to providing our customers with not just products, but partners in their success. Our long-standing tradition of collaboration, quality, and customer service is a testament to the vision of our founder, Bill Spengler, and the enduring spirit of the Tolco family.

From our family to yours, we look forward to supporting your success and continuing our legacy of excellence for many years to come.
