

THANK YOU FOR PURCHASING A BRICK!

Bricks are a great way to leave a legacy or positive message to the community. Bricks are not just for lost loved ones or donors, but for anyone that has gone through healing, knows someone struggling or sick or just wants to leave a positive message or mark.

IE: Jodi Plecity, Athlete at LIFE, 2015, Mrs. ND left a brick or people have left positive message sayings or bible scriptures.

NOTE: Bricks will be placed at the Garden twice per year, Spring and Fall. Please follow our social media pages for when that will happen.
