

List of Changes to the White Cross Handbook (2017)

Updated on November 7th, 2018

As of November 2018, we have made the following changes to the Handbook for a better clarity and effective ministry. Some changes are in minor formatting, while others are in instruction contents. Please see the table below, especially the changes with a star (*) beside the Date of Change.

You could choose to simply write in minor updates or print major updates as needed for the binder. The revised version of the Handbook is also available online.
