Tartan Work Performance Review

To: Jadian Foley <jadianf@johnfoleymasonry.com>

Thanks for the voicemail this morning. Sorry it's taken me a bit to get back to you. John Foley Masonry was a critical team-member on the Tartan High School team. Jevon was easy/professional to work with. Everything came in on a timely manner. We had one scope gap in the project that was very easy to work through with your team. We had no issues at all.

I was just talking to our sup yesterday about you guys and he said you were easily the best contractor we had on site. He made note that he was impressed with your guys' workmanship/attitude especially with the inclement weather we had all summer. He said your team handled a small project like it was a larger/important project and I could not agree more.

Thanks again for the work you guys put in this summer. We look forward to working with you again on the next one!
