# Background and Authorizing Legislation

- ▶ Created by Atlanta City Council in late 2017 after the sale of Turner Field and surrounding properties in response to community concerns including those of the Turner Field Community Benefits Coalition (17-O-1080 and 17-R-3853).
- ▶ \$5 Million (17-R-3853) was designated to support projects and activities that benefit the Atlanta neighborhoods of Mechanicsville, Peoplestown, Pittsburgh, Summerhill and the portion of Grant Park comprised of the named streets in the Turner Field Neighborhoods Livable Centers Initiative (LCI) study.
- ▶ 17-R-3853 stipulates a \$4 Million contribution would be directed from AFCRA and \$1 Million would be made available, “...*from funds to be determined within sixty (60) days from the date of passage of the FY2018 budget.*”
- ▶ The authorizing legislation states, “...*these funds are to be used solely to fund economic and community development activities, such as affordable housing and job training...*”.
- ▶ Additional funds are to be contributed to the account per the schedule described in 17-O-1080 from the sale or lease of City-owned properties in the above-named communities.

# SNCTF Appointees

- Member terms are for three years from the date of appointment

# Start-Up Challenges and Subsequent Legislation

- ▶ Volunteer committee members met for the first time in February 2018 and have met nearly monthly since with additional sub-committee work occurring outside full meetings.
- ▶ Most members sworn in April 2018.
- ▶ Perhaps due to a change in administrations, there was confusion regarding what entity and which administrative processes would be utilized for managing fund, approving and processing expenditures.
- ▶ In Fall of 2018, needed additional legislation was passed designating Atlanta Fulton County Recreation Authority (AFCRA) as the administrative entity and fiscal agent for the SNCTF Committee.
- ▶ The volunteer group was charged with creating a structure for itself as well as all processes and controls to manage the work of awarding funds for projects and activities; no City staff support was assigned.
