## Quick Word from us!

With the weather warming up in Kenya we have been busy dancing, creating, and learning many new skills. Our cultural day in Kiserian came to life with traditional costumes and dance for all to enjoy. Our communities are growing in numbers and we are enjoying welcoming new students into the In2EdAfrica community.

# CULTURAL DAY IN KISERIAN

We are so fortunate to be located in a beautiful Masai community in Kiserian. Our teachers are mostly from the surrounding areas and embracing traditional culture is such an important part of our ethos. When visitors come our Masai parents bring their wares to sell.

# NEW DANCE UNIFORMS

New In2EdAfrica dance uniforms are making us look and feel super smart.  
United as a team we are getting set to take over the world!

# SOAP MAKING IN KISERIAN

CBC curriculum objectives are centered around making children lifelong sustainable learners. Through the application of practical skills children are provided with the tools required to move into a world. Our students were learning to make soap from aloe plants.

# ALWAYS DANCING

The In2EdAfrica Dance Troop provides children in the community of Korogocho with the opportunity to learn dance, drumming, fashion design, modelling, poetry and drama. When this troop was formed during COVID lockdowns we had no idea as to the power it would have to provide these children with hope for the future and the role they would play in it.
