

HEAD MEETS HEART for MEN and WOMEN

"FOLLOW YOUR HEART WITHOUT LOSING YOUR MIND"

Presented by Barbara Currano, MA, LCPC, NCC

Developed by John Van Epp, PhD, **HEAD MEETS HEART (Formerly PICK A PARTNER)** is an entertaining educational program supported by ten years of research to help singles make better dating/marriage choices from a psychological point of view. Sharing values is essential, but there is so much more to consider and work on **BEFORE** marriage. This class is geared towards mature students 16 years and older and adults of all ages.

Head Meets Heart is presented in a **TWO-DAY** workshop, with lots of fun discussions and group activities that help participants apply the content to real life situations and experiences. A faith-based workbook provides a permanent record of your learning and reflections. You will be amazed at what you learn!
