
THE BOHEMIAN MASCULINE ARCHETYPES QUIZ:

Your Inner Masculine Blueprint

FINAL RESULTS REPORT TEMPLATE

Welcome, Explorer.

Your archetypal profile is not a definition of who you are.

It is a mirror.

A reflection of the patterns, instincts, strengths, and growth opportunities that shape the way you move through the world.

Within you exists the Builder, the Guardian, the Seeker, the Creator, the Rebel, and the Weaver.

Your journey is not about choosing one.

It is about understanding your unique combination and learning how to consciously embody each energy when life calls for it.

YOUR SECONDARY ARCHETYPE

[ARCHETYPE NAME]

The Energy That Supports You

While your primary archetype represents your dominant expression, your secondary archetype reveals the qualities that balance and strengthen you.

Together, these two energies create your unique masculine blueprint.

YOUR SHADOW ARCHETYPE

[ARCHETYPE NAME]

The Teacher Hidden Within Your Challenges

Your shadow archetype is not your weakness.

It represents an unconscious pattern asking for awareness.

When integrated, this energy becomes one of your greatest sources of growth

YOUR PERSONAL INTEGRATION PRACTICE

Embodying Your Masculine Archetype

Ask yourself:

Awareness

Where do I naturally embody this archetype?

Balance

Where has this strength become excessive?

Integration

What qualities from the other archetypes would support my growth?

Action

What is one choice I can make today that reflects my highest expression?

THE SEVEN ARCHETYPES OF THE WHOLE MASCULINE

A fully embodied masculine contains all seven energies:

The Architect

Builds the vision.

Creates structure, strategy, and legacy.

The Guardian

Protects what matters.

Creates safety, loyalty, and stability.

The Mystic

Seeks deeper truth.

Explores wisdom, consciousness, and meaning.

The Wanderer

Explores the unknown.

Follows curiosity, adventure, and experience.

The Creator

Brings ideas into form.

Transforms imagination into reality.

The Rebel

Challenges limitation.

Creates evolution through questioning.

The Community Weaver

Creates belonging.

Builds connection and collective growth.

THE BOHEMIAN MASCULINE PATH

From Boyhood → Initiation → Embodiment

The Unconscious Masculine:

"I react to life."

Driven by fear, expectations, comparison, or external validation.

The Awakening Masculine:

"I begin to understand myself."

Explores identity, purpose, values, and personal power.

The Integrated Masculine:

"I consciously create my life."

Uses his strengths with wisdom, compassion, and intention.

FINAL MESSAGE

The masculine is not measured by how much power he holds.

It is measured by how consciously he uses it.

The true masculine is:

The courage to build.

The strength to protect.

The wisdom to seek.

The freedom to explore.

The courage to create.

The willingness to transform.

The ability to connect.

Your archetype is not who you are meant to become.

It is a doorway into who you already are.
