IMPORTANT INFORMATION ABOUT OUR RATES AND CATEGORIES:

All dinner party catering and personal chef hire pricing listed includes food preparation time, delivery and service.

*Discounted rates only apply to bookings with final number confirmation and payment with guest numbers that fall strictly within their pricing category. Reductions in numbers between final number confirmation and invoicing from the time of booking will incur the higher applicable "per person" rate. Please see our CONFIRMED NUMBERS & FULL PAYMENT policy in our Terms of Service and Booking Form for more information.

Please note: attending guests with dietary requirements can often impact the cost to prepare and serve your final menu. So it is our policy at Winyup that any guest that requires an alternate dish 'per course' from your Single Choice Menu because of their food allergies (or preferences) will incur the higher rate per person for discounted per person rates. 3 Course Single Choice Menus that see a percentage change of 20% or more to the entire menu will move up to the 3 Course Two Choice Menu per person rate category.

Additional Chef and Wait Staff Hire*

The hire of additional chefs and wait staff may be crucial for servicing your event effectively. All of Winyup staff are pre-hired for a 4-hour block. Please note: extensions to this time frame on the date of your event, may incur further charges. Typical dinner party services run for approximately 3 – 4 hours depending on the number of guests and the number of courses required to service your event. General arrival and set-up time for our team is 1 – 2 hours prior to first course served. If you have any decorations for your table setting, our professional team can help you present them in an arrangement of your choosing.
