

CJMJ TRADING

COMPANY PROFILE

OUR COMPANY

CJMJ TRADING is a newly opened business providing premium quality, full service distribution of PVC plastic curtains and other products like PVC panel sheets, air curtains, blinds, and office supplies to manufacturers nationwide.

Our proprietors' unparalleled customer service experience combined with their 15 years in the field of Sales and Office Management ensures to give a hundred percent commitment in distribution services as they introduce CJMJ Trading to the distribution arena. At this time we are combining our effort and capital to compliment our investment. We are also seeking to arrange a bank line for our inventory and receivables financing. We have a firm commitment to distribute good quality of services throughout the Philippine market to carry/use our product. We plan to distribute and open our business within specified days of finalizing the company's financial arrangement.

OUR CHARACTER

Our company will be distinguished by these following characteristics which set us apart from other trading companies as we penetrate the market to offer full trading services to our potential clients:

- Excellent Management Expertise
- Incomparable Sales and Distribution experience
- Good Quality and Innovative Products
- Exceptional Customer Service
