HOLY WEEK – EASTER – 2020 GOSPEL PROJECT FOR STUDENTS PRAYER GUIDE AND LESSON

WEBSITE: GPS.CHURCH

As a Christian, or someone who believes Jesus died, came back to life (resurrected) and saves us from our sins when we repent, this week is called **HOLY WEEK**. From the bible, we learn this is the week when Jesus rode on a donkey into a city where he would be killed on the cross for our sins. Since Adam and Eve sinned in the garden, God began a rescue mission that revolves around this week – when Jesus was killed, not for his sin, but for our sin!

We have put together this “prayer guide” as a reminder of most of our GPS Community Friends. All these friends have connected at GPS. Our hope is that we can begin a habit of praying for each other, by name. You can create your prayer, or I have just created one below you can use:

Dear LORD. Thank you for loving us.

Thank you for being a God who knows me and knows my thoughts.

Thank you for being a God that is in control of our world.

We pray for your desire to be done. We pray for those who are sick and pray for your peace and healing to come to this world.

Thank you for allowing us to have time to learn about your Word, the Bible, more about your ways and to be around others who believe in you in GPS.

Lord, we pray for ____ (Say Friend Name) _____. We pray that you walk with them and protect them. If they don't trust You with their life and have decide to live for You, we pray for that. If they trust in You with their life, we pray You allow them to grow a closer relationship with You through prayer and reading the Bible.

Forgive my sins and give me power to act and do differently. We pray for our families, we pray for our town, the country and the world. May all come to know you. In your name, we pray. Amen.

In our GPS lesson this week, we see where the events of the HOLY WEEK began on the earth – Jesus’ birth. We normally will celebrate Jesus’ birth at Christmas, but we wanted to remember how God sent His Son to the earth at the same time we celebrate that God allow Jesus to be killed for our sins and then caused Jesus to RISE FROM THE GRAVE – finally defeating death once and for all!

We pray that you get some time this week to pray for our GPS friends and families. We pray that you take time this week and remember Friday Jesus was killed for our sins. Sunday, Jesus rose from the grave to give us HOPE for eternal life, or life that last forever with HIM.

The Bible is clear, **“And if anyone’s name was not found written in the book of life, he was thrown into the lake of fire.” Revelation 20:15.**

But each of us gets the invitation of LIFE from Jesus who died on the cross and was raised this week! Believe!
