### Why Buyers Love It

### Action Plan

**1**

**Maximize Space  
with Organized  
Garage Storage**

A clean, organized garage is a huge plus for buyers who need functional storage space.

Install shelving, pegboards, or built-in storage systems to keep things tidy and add value to your home.

**2**

**Wow Buyers  
with Thoughtful  
Landscaping**

Beautiful landscaping adds charm and curb appeal.

Invest in healthy grass, vibrant flower beds, and tidy walkways. Don't forget to prune trees and add mulch for a polished finish.

**3**

**Shine Bright with  
Exterior Lighting**

A well-lit exterior is attractive and adds security.

Add walkway lights, motion-sensor security lights, or stylish pendant lights to enhance curb appeal.

**4**

**Create Outdoor  
Magic with a Patio**

Outdoor living is in! A patio provides a perfect space for gatherings and relaxation.

Power-wash existing patios, or consider installing pavers for a fresh, inviting look.
