

CMG HONORS PARK presents CMG HONOR'S PARK "A Family Legacy." CMG saw the need to create a memorial park and wall as a lasting tribute to the many victims of the worst pandemic in over 100 years. To date, here in the United States, over 1.2 million people have perished from this disease.

► **Covid's reign** from late 2019 to 2022, we have suffered unprecedented losses, to family, friends, and precious young lives. We must never forget them! We can honor them by placing their names on the Honor's Park wall and park walkway.

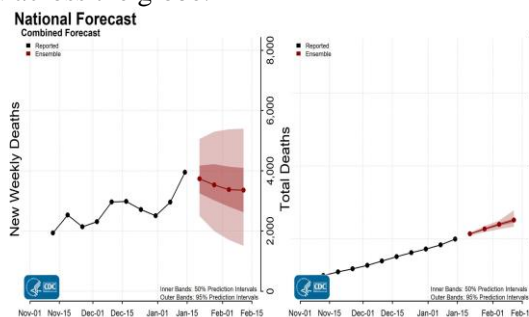

CMG HONOR'S PARK will become our nation's Family's Legacy. CMG will honor the victims of this pandemic from all over the United States; the first of its kind will be in Detroit, Michigan.

Detroit, the Motor City known for the birth of the Motown sound, was named Time Magazine's top 50 "World's Greatest Places" of 2022. Its great entertainment venues and sports teams make Detroit the Ideal location for the CMG Honor's Park. CMG looks forward to breaking ground in late spring or early summer 2024.

The significant importance of the CMG Honors Park© memorial wall is to assure our surviving families devastated by their loved one's untimely demise are not forgotten. CMG does not want our loved ones to be just a nameless statistic; your loved one's name will be prominently displayed on the memorial wall or walkway throughout this park.

There are no words to express the hurt generated by the overwhelming losses throughout our nation and across the globe.

Please Note: The picture shown is NOT the actual wall.
