

Black Garlic Stuffed Burger

Instructions:

Salt and Pepper your groundbeef. Use some of the ground beef to make two thin patties. On one of the patties place about five cloves of PW Farm's black garlic. Place one or two slices of mozzarella on top of the cloves. Place the other patty on top of the cheese. Mash edges of both patties together so that you make one large burger. Place on the grill or in a skillet. Enjoy with burger buns, tomato, lettuce, etc.
