Elijah Matrix Introduction

Terms that are parallel have an intimate relationship with one another. In fact, reading the encoded messages in this matrix, and correlating them to identify their meaning with the prophecies of the Bible, reveal that they are thoughts from the same being. The terms are truth; the true thoughts / feelings / agenda from each entities perspective. The following matrix is so large, that it has been split into three parts based on similar and/or related skips.

1st Matrix: Small skips and +/- 10609 (Jesus' perspective; new religious system)

2nd Matrix: +/- 10608 (God's perspective; the time of Satan's personation of Christ)

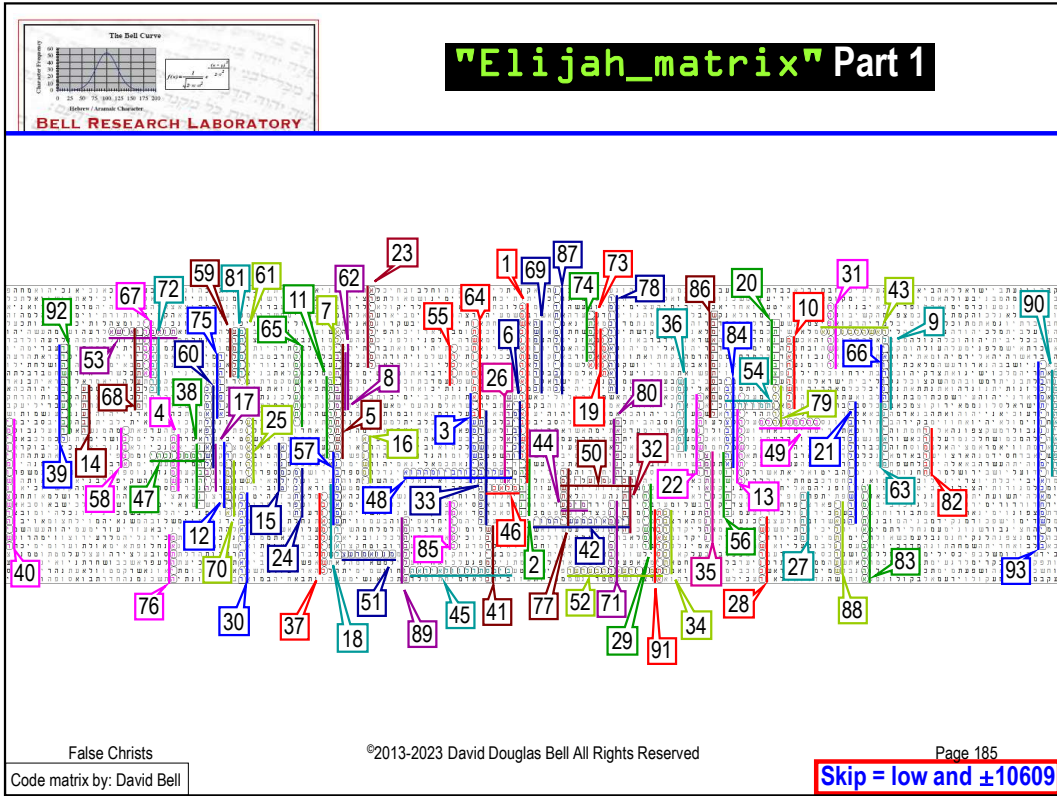

3rd Matrix: +/- 10610 (God's perspective; The remnant)

From the group of sentences decoded, as well as their associated STR code analysis, it is clear who the messages are about.

6) Even though people will be placed in prisons, after probation closes, all that have not broken the covenant (the unpardonable sin...) with the Lord will be protected from death.

NOTE: This is implying that (after probation closes) professed Christians, and are not real believers, will be intermixed in the prisons. They will not have the protection from death and may be executed during this time.

7) People will be taken away and placed in captivity as part of the world government (Babylonian) plan to take over the entire earth.

NOTE: This could and/or may imply that there will be a false rapture event that people seem to disappear, but in reality are rounded up and taken to these incarceration centers.

Romulus = and his twin brother Remus are central characters of foundation of Rome myth.

Rahab, = According to the book of Joshua, was a prostitute who lived in Jericho in the Promised Land and assisted the Israelites in capturing the city. Applying this to the Bible code matrix above: Rahab is a whore (Revelation 17) who will assist in the (attempted) takeover of the earth.

Romulus = and his twin brother Remus are central characters of foundation of Rome myth.

Rahab, = According to the book of Joshua, was a prostitute who lived in Jericho in the Promised Land and assisted the Israelites in capturing the city. Applying this to the Bible code matrix above: Rahab is a whore (Revelation 17) who will assist in the (attempted) takeover of the earth.

Pre-Study Prayer:

Dear heavenly Father;
we humbly come to you once again to ask for your Holy Spirit to be sent upon us; to provide divine understanding of the messages that have been placed with incalculable effort within your Holy text for us to discover at this point in earth's history. I pray that this knowledge will clarify the path that you, and your heavenly angels, are placing before us to take to accomplish the goals that are needed in preparation for the eternal kingdom. I pray that this knowledge will also allow us to go forth and participate and know with confidence that we are part of the cure and not a part of the disease. In the name of Jesus Christ, our Lord and savior, we pray these things...Amen!

Europe has to give priority to ideas and innovation without bureaucratic stop signs. We will give economic growth in Europe a forward push if we manage to get on with this.' attributed to Edmund Stoiber, Chairman of the High Level Group. Below that, it says 'The EU Commission has appointed a high-level group to advise it on reducing administrative burdens linked to its legislation.' and 'So far the Commission has taken into account the group's recommendations and suggestions in several proposals, such as those concerning the facilitation of electronic invoicing and the exemption of micro enterprises from EU accounting rules.' The False Revival (Cont.)

How to determine false-revival light: "Wherever men neglect the testimony of the Bible, turning away from those plain, soul-testing truths which require self-denial and renunciation of the world, there we may be sure that God's blessing is not bestowed."--GC 464 (1911)

God would never pour out his miracle working power on any of the false churches of Babylon!

"Transgression has almost reached its limit. Confusion fills the world, and a great terror is soon to come upon human beings. The end is very near. We who know the truth should be preparing for what is soon to break upon the world as an overwhelming surprise."--8T 28 (1904)

Why the nom "ChrimsonScribe"?

BE

I am interested in hidden messages and codes within the text of the Holy Bible. Please suggest an appropriate nom for me to use in the codebreaking community.

If you're interested in hidden messages and codes within the text of the Holy Bible and would like a suitable nom for the codebreaking community, how about "CrimsonScribe"? This name combines the imagery of "Crimson," which can symbolize hidden or secret knowledge, and "Scribe," which refers to someone who writes or records information. It evokes the idea of unraveling hidden messages and codes within biblical texts.
