Bell Research Laboratory Viewpoint Validation Criteria

To validate a theological belief, all aspects of the belief must pass a three-level consistency check.

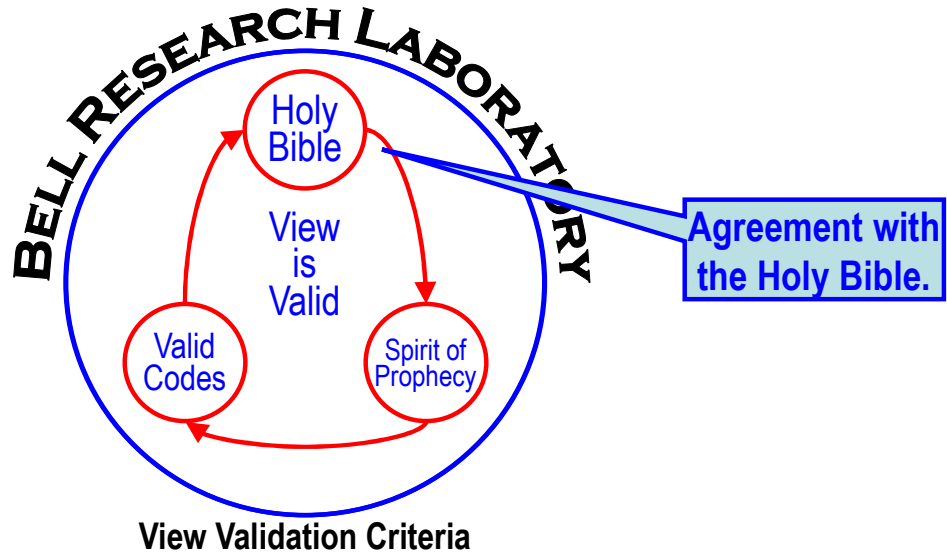

Each validation stages' inputs and findings are checked for associations and/or relationship inconsistencies with the following sources:

1. The Holy Bible
2. The Spirit of Prophecy (Ellen G. White's prophetic writings, etc...)
3. Valid Bible code matrices

If all three criteria are met, without violation, the theological belief is considered valid and adopted as present truth.

Bible Commentary on Hidden Information Within Its Pages

•"Search the scriptures; for in them you hope that you have eternal life, and they testify concerning Me," John 5:39 (Peshitta) [New light is found by a search of the text of the holy Bible.]

•"And the Lord answered me, and said, Write the vision, and make it plain upon tables, that he may run that readeth it. For the vision is yet for an appointed time, but at the end it shall speak, and not lie: though it tarry, wait for it; because it will surely come, it will not tarry." Habakkuk 2:2-3 (KJV) [New light will be revealed after the surface text of the Bible is written out in a table, with each letter occupying one equally sized cell.]

•"Now go, write it before them in a table, and note it in a book, that it may be for the time to come for ever and ever:" Isaiah 30:8 (KJV) [This verse reveals two facts: 1) To reveal the new light, write each of the letters of the Biblical text in an equally spaced cell, and 2) Create presentations and explain to the masses how the revealing of the messages, at the end of time, is accomplished.]

•"How are the things of Esau searched out! how are his hidden things sought up!" Obadiah 1:6 (KJV) [The new light will be revealed by searching (literally) the scriptures.]

Bible Commentary on Hidden Information Within Its Pages (Cont.)

•"But we speak the wisdom of God in a mystery, even the hidden wisdom, which God ordained before the world unto our glory:" 1 Corinthians 2:7 (KJV) [The new light was hidden by God before the world was created.]

•"So the last will be first and the first last, for the called are many and the chosen ones are few." Matthew 20:16 (Peshitta) [This verse reveals two facts: 1) One way the new light is hidden is using the atbash cipher, and 2) Another way that the new light is uncovered is by picking a few letters (out of a larger group), putting them together, and reading the messages.]

•"And all the kings of the north, far and near, one with another, and all the kingdoms of the world, which are upon the face of the earth: and the king of Sheshach shall drink after them." Jeremiah 25:26 (KJV) and "How is Sheshach taken! and how is the praise of the whole earth surprised! how is Babylon become an astonishment among the nations!" Jeremiah 51:41 (KJV) [One way the new light is hidden is by using the atbash cipher, where Babylon is substituted by the atbash equivalent Sheshach.]

Bible Commentary on Hidden Information Within Its Pages (Cont.)

•"And I will give thee the treasures of darkness, and hidden riches of secret places, that thou mayest know that I, the Lord, which call thee by thy name, am the God of Israel." Isaiah 45:3 (KJV) [When the new light is revealed, the nature of how it was hidden, will be evident that only God could have hidden the new light.]

•"And I shall grant my two witnesses to prophesy 1260 days while wearing sackcloth." Revelation 11:3 (Peshitta) [The old and new testaments of the Bible will provide new, previously unknown, prophecies at the end of time.]

•"And the vision of all is become unto you as the words of a book that is sealed, which men deliver to one that is learned, saying, Read this, I pray thee: and he saith, I cannot; for it is sealed: And the book is delivered to him that is not learned, saying, Read this, I pray thee: and he saith, I am not learned. ... Therefore, behold, I will proceed to do a marvelous work among this people, even a marvelous work and a wonder: for the wisdom of their wise men shall perish, and the understanding of their prudent men shall be hid." Isaiah 29:11-14 (KJV) [The work will be shown using those who do not necessarily have lofty educational degrees.]

Sister White's Comments on The Revealing of End-Time Information

•"Interwoven with prophecies which they had regarded as applying to the time of the second advent was instruction specially adapted to their state of uncertainty and suspense, and encouraging them to wait patiently in the faith that what was now dark to their understanding would in due time be made plain. Among these prophecies was that of Habakkuk 2:1-4..." *The Great Controversy*, Pages 391 & 392 [The new light is woven into the surface text like a lattice.]

•"And to speak with contempt of those whom God has sent with a message of truth, is folly and madness." *Testimonies on Sabbath-School Work*, page 60 [God will send those who will give His new light.]

•"Light is to shine forth from God's people in clear, distinct rays, bringing Jesus before the churches and before the world....If through the grace of Christ his people will become new bottles, he will fill them with the new wine. God will give additional light, and old truths will be recovered, and replaced in the framework of truth..." *The Review and Herald*, December 23, 1890, Be Zealous and Repent, paragraph 19 [This quote reveals two facts: 1) The new light will be proclaimed from believers in the testimony of Jesus Christ (God's people), and 2) Additional new light will displayed in a framework of truth.]

Sister White's Comments on The Revealing of End-Time Information (Cont.)

•"They are not to make up their minds that the whole truth has been unfolded, and that the Infinite One has no more light for His people." *Testimonies on Sabbath-School Work*, page 60 [The new light will come after Ellen White was alive.]

•"New light will ever be revealed on the word of God to him who is in living connection with the Son of Righteousness. Let no one come to the conclusion that there is no more truth to be revealed. The diligent, prayerful seeker for truth will find precious rays of light yet to shine forth from the word of God. ...it is the mission of the light to shine out and illuminate the darkness." *Sabbath-School Worker*, March 1, 1892, paragraph 4 [This quote reveals two facts: 1) New light will continuously be revealed until the end of time, and 2) New light must be shared with others on the earth.]

•"God has been pleased to communicate His truth to the world by human agencies, and He Himself, by His Holy Spirit, qualified men and enabled them to do this work. He guided the mind in the selection of what to speak and what to write. The treasure was entrusted to earthen vessels, yet it is, nonetheless, from Heaven." *The Great Controversy*, page d [The Holy Spirit will qualify human beings to spread the new light.]

Sister White's Comments on The Revealing of End-Time Information (Cont.)

•"Let me tell you that the Lord will work in this last work in a manner very much out of the common order of things, and in a way that will be contrary to any human planning. ... The workers will be surprised by the simple means that he will use to bring about and perfect his work of righteousness." *Special Testimonies for Ministers and Workers*, Series A, No.6, pages 59 & 60
 [This quote reveals two facts: 1) The new light will come in a new, unusual and simple way, and 2) To understand that the new light is from God, one needs to be watching and ready to receive it.]

•"When divine power is combined with human effort, the work will spread like fire in the stubble[Revelation 18:1]. God will employ agencies whose origin man will be unable to discern; angels will do a work which men might have had the blessing of accomplishing, had they not neglected to answer the claims of God. The work is now presented to man. Will he take it?" *The Review and Herald*, December 15, 1885, A Missionary Appeal, paragraph 8 [Word of the new light will spread relatively quickly and excitement will be generated in a way that is not perceptible.]

Sister White's Comments on The Revealing of End-Time Information (Cont.)

•"In the manifestation of that power which lightens the earth with the glory of God[Revelation 18:1], they will see only something which in their blindness they think dangerous, something which will arouse their fears, and they will brace themselves to resist it. Because the Lord does not work according to their ideas and expectations they will oppose the work. 'Why,' they say, 'should we not know the Spirit of God, when we have been in the work so many years?'" *The Review and Herald Extra*, December 23, 1890, Be Zealous and Repent, paragraph 18 [Even (so called) believers will prepare to resist the new light because they will perceive that it is of evil origin.]

•"The two witnesses represent the Scriptures of the Old and the New Testament." *The Great Controversy*, page 267 [The old and new testaments of the Bible will provide new, previously unknown (hidden), prophecies at the end of time.]

•"The third angel's message will not be comprehended, the light which will lighten the earth with its glory [Revelation 18:1] will be called a false light, by those who refuse to walk in its advancing glory. The work that might have been done, will be left undone by the rejecters of truth, because of their unbelief." *The Review and Herald*, May 27, 1890, Living Channels of Light, paragraph 6 [The new light will be called false light and not of God.]

Sister White's Comments on The Revealing of End-Time Information (Cont.)

•"The third angel's message reveals the great saving truth for this time. Its truths are constantly unfolding, and it is God's design that even the children and youth shall understand intelligently what God requires, that they may distinguish between righteousness and sin, between obedience and disobedience." *Manuscript Releases Volume Nine*, page 292 [This quote reveals two facts: 1) The new light will continue to be revealed until the end of time, and 2) The new light will provide clear doctrines and religious direction.]

•"Ministers and doctors may depart from the faith, as the Word declares they will, and as the messages that God has given His servant declare they will. Thus believers will be given evidence that the Word of God, the warnings He has given, are being fulfilled right among us. Some may make light of these messages, misinterpret them, and say untruthful things, which lead others' minds astray." *Manuscript Releases Volume Seven*, To Brethren Assembled at Council at Graysville, Tn., pages 192 & 193 [This quote reveals three facts: 1) The new light will predict events that will and/or have transpired, 2) Some will not believe in the revealed new light, and 3) Some will miss interpret the encoded messages.]

Sister White's Comments on The Revealing of End-Time Information (Cont.)

• "...that there was to be special light for God's people as they neared the closing scenes of this earth's history. Another angel was to come from heaven with a message, and the whole earth was to be lightened with his glory[Revelation 18:1]. It would be impossible for us to state just how this additional light would come. It might come in a very unexpected manner, in a way that would not agree with the ideas that many have conceived. It is not at all unlikely, or contrary to the ways and works of God, to send light to His people in unexpected ways." *Manuscript Releases Volume Thirteen*, Additional Light for God's People, page 334 [\[The new light may come in a very unusual way.\]](#)

• "God's Spirit has illuminated every page of Holy Writ, but there are those upon whom it makes but little impression, because it is imperfectly understood. When the shaking comes, by the introduction of false theories, these surface readers, anchored nowhere, are like shifting sand. They slide into any position to suit the tenor of their feelings of bitterness." *Manuscript Releases; Volume Eleven*, page 206 [\[The new light will bring new meaning and/or understanding out of each page of the holy Bible.\]](#)

Sister White's Comments on The Revealing of End-Time Information (Cont.)

•"And in a large degree through our publishing houses is to be accomplished the work of that other angel who comes down from heaven with great power and who lightens the earth with his glory[Revelation 18:1]. Solemn is the responsibility that rests upon our houses of publication. Those who conduct these institutions, those who edit the periodicals and prepare the books, standing as they do in the light of God's purpose, and called to give warning to the world, are held by God accountable for the souls of their fellow men." *Testimonies for the Church Volume Seven*, page 140 [A work and/or works will be published that will assist in the comprehension of the new light.]

•"There is yet much precious truth to be revealed to the people in this time of peril and darkness, but it is Satan's determined purpose to prevent the light of truth from shining into the hearts of men. If we would have the light that has been provided for us, we should show our desire for it by diligently searching the word of God. Precious truths that have long been in obscurity are to be revealed in a light that will make manifest their sacred worth; for God will glorify His word, that it may appear in a light in which we have never before beheld it." *Counsels on Sabbath School Work*, page 25 [This quote reveals two facts: 1) The new light will present old truths in a new way that their divine origin will be shown, and 2) The new light has already been provided to us and is found by searching the Biblical text.]

Sister White's Comments on The Revealing of End-Time Information (Cont.)

•"God will work a work in our day that but few anticipate. He will raise up and exalt among us those who are taught rather by the unction of his Spirit, than by the outward training of scientific institutions. These facilities are not to be despised or condemned; they are ordained of God, but they can furnish only the exterior qualifications. God will manifest that he is not dependent on learned, self-important mortals." *Testimonies for the Church Volume five*, page 82 [The work will be shown using those who do not necessarily have lofty educational degrees.]

Code Key For Additional Information?

This next code matrix is VERY special. It describes the way that the additional layer of codes are read. For years the meaning of this code matrix was a mystery until one day it was discovered that the message was talking about the surface text being brought together by the encoded messages themselves. A set of general rules were developed that are summarized on the next two slides. **We knew that we were correct when this technique was applied to the code matrix itself and discovered that the revealed messages describe an amazing sequence of events to follow.**

The encoded phrase; "exposal of code it will pronounce Me" suggests that when this deeper layer of code is revealed, it will be absolutely spectacular; in fact it will "pronounce" God. Indeed it has!

Surface Text Relevance (STR) Codes

• **Surface Text Relevance Codes**-Text of the Bible, where the encoded letters touch, is topically related to the encoded messages that lie beneath.

- All encoded letters equate/touch a letter somewhere in the surface text of the Bible
- Surface text is connected with the hidden/encoded text that lies underneath
- Surface text chapter and verse follow one after another in sequence.

- The sequence (direction) is determined by the sign of the skip.
 - » "+" = top to bottom (right to left)
 - » "-" = bottom to top (left to right)
- Not all words are necessarily chosen from each verse
 - » Relevant word selection is determined by the context of: 1) encoded message, 2) STR message context must be uniform throughout from beginning to end, 3) context will not conflict with biblical facts/truths

The **[RED]** STR codes reveal (cont.):

- 5) The servants of the Lord that will come, will provide information as to the path (where to go / what to do) that the people should take.
- 6) This is a reference to the new way (Bible codes) that this additional end time information is coming to the saints at the time of the end. ("In the manifestation of that power which lightens the earth with the glory of God [Revelation 18], they will see only something which in their blindness they think dangerous, something which will arouse their fears, and they will brace themselves to resist it. Because the Lord does not work according to their ideas and expectations they will oppose the work. 'Why,' they say, 'should we not know the Spirit of God, when we have been in the work so many years?'" -Review and Herald Extra Dec. 23, 1890)
- 7) The Lord will protect and ultimately save those that hear and understand (the saints).
- 8) This new way of understanding the information will allow them to obtain details beyond the wall to the understanding and turn the corner to understand the secrets of knowledge.

The diagram illustrates the discovery of STR codes in Hebrew text. It features a bell curve graph in the top left corner, labeled 'The Bell Curve' and 'BELL RESEARCH LABORATORY'. The main part of the diagram consists of a grid of Hebrew characters. Arrows point from specific sequences of characters to a list of Bible verses on the left. The verses are:

- 9) "...and divide...they shall divide." Exodus 21:35 (KJV)
- 10) "And unto the children...the other half...they gave...a city of refuge..." Joshua 21:27 (KJV)
- 11) "...And they took..." 2 Kings 20:7 (KJV)
- 12) "And when these days are expired...I will accept you, saith the Lord God." Ezekiel 43:27 (KJV)

For The Hard-Core Skeptic:

For those that are STILL not convinced that the text of the Bible contains hidden codes and believe that the only letter level inspiration of the holy Bible are the ten commandments. Keeping in mind that the ten commandments were written on two tablets of stone (both sides) were written by God's own finger, thus EACH and EVERY letter was inspired directly from the Lord God Almighty.

As described in the Bible itself: "And the tables were the work of God, and the writing was the writing of God, graven upon the tables." Exodus 32:16 (KJV).

The next matrix runs from Genesis 20:4 to Genesis 20:9. This is in the middle of the ten commandments! Did God write Bible codes? Absolutely! The matrix on the following page is proof of that!

Matrix Comments

(mirror of God salt of Jesus)

Another interesting code was found in the Tanakh containing the expression "mirror of God salt of Jesus" as the search term. Looking at what the surface text of the Bible says about the usefulness of salt:

"You are the salt of the earth, but if salt becomes insipid, with what will it be salted? It is good for nothing except to be thrown outside and to be trodden upon by people." Matthew 5:13 (Peshetta)

So Jesus is stating that if the salt has no flavor then what use is it. Looking at the additional parallel (intimately related) phrases discovered in the following matrix, the Bible codes are described as the "mirror of God salt of Jesus" and that "he inserted speech of Yah". So God's words were encoded in the Bible, are present truth, and are to be used to assist in spreading the gospel to the world at the end of time.

The [GREEN] STR codes reveal (cont.):

21) against the wicked, this is why the wrath of God is going to be so incredibly devastating; much like the destruction of Sodom and Gomorrah.

Lord of the Code Introduction

The next matrix runs through Genesis 24:10 that describes Moses receiving the Torah on mount Sinai from God. The sapphire stone is described where Moses saw the letters appearing.

At the end of time, we are told that the faces of the holy saints will glow; "...the saints shouted, Glory! Hallelujah! Their countenances were lighted up with the glory of God; and they shone with the glory as Moses' face did when he came down from Sinai. The wicked could not look on them, for the glory."-*Broadside3 - A Vision*, (April 7, 1847)

The code matrix describes the end-time information, sealed by computer, that will be understood during the latter rain. It also describes the facial glow of the saints as well as naming the master encoder as "Lord of the code".

STR Codes - A Solid Footing

Another point regarding the next two matrices is the fact that they describes that the second layer of information extracted from the codes (the STR codes) will be pinned to four pillars and would fit perfectly through the rings of the reveled book of the STR codes.

The saints will put the interpretations together making sure that each message/matrix is firmly tied down on all sides (the four pillars fit into four sockets: 1) Holy Bible, 2) Spirit of Prophecy writings, 3) Established Bible code matrices, 4) Reasonable).

Pre-Study Prayer:

Dear heavenly Father;
we humbly come to you once again to ask for your Holy Spirit to be sent upon us; to provide divine understanding of the messages that have been placed with incalculable effort within your Holy text for us to discover at this point in earth's history. I pray that this knowledge will clarify the path that you, and your heavenly angels, are placing before us to accomplish the goals that are needed in preparation for the eternal kingdom. I pray that this knowledge will also allow us to go forth and participate and know with confidence that we are part of the cure and not a part of the disease. In the name of Jesus Christ, our Lord and savior, we pray these things...Amen!
