### Committee Reports

Budget-Katrina reminded everyone about dues and spoke of the cost for lodging.

Prayer Service-Coco has already purchased and sent the balloons to Roslyn. She will wait to purchase the candles later.

Games-Tra and Daylen reported that they are working on a plan and will have more to report at the next meeting.

Drinks- Jaryn and Jovelina reported they will be ready to go when necessary.

Snacks-Tria was told of her assignment; she also will be ready.

Food-Alease and Daphney will communicate with each other and come up with a meal plan that works for everyone.

Transportation- Donnie spoke of flights for Southwest and how easy it is to change if the cost is lower than the ticket you previously purchased. Roslyn and Kisha have SUVs, which they will use to pick up all those flying in. Please coordinate your times with Donnie as soon as you know.

Outside Activities-Roslyn, Kisha, and Katrina will check on possible activities off the estate; attendance will be optional for each person. The winery was discussed again as a possibility.

Alright, family, we are coming along nicely. Please RSVP if you haven't already. Remember, you can join any committee; just contact those listed. Check the website for any details you need to know. If you have any questions, contact Donnie, Katrina, or Roslyn.

Our next Zoom Call is September 17<sup>th</sup> @5pm EST. Donnie will list the information on the website.

God Bless!
