Hire me and I will take the burden of social media off your back, so that you can focus on your business!

”

Olivia has managed our social media accounts for the past year. She is creative and consistently creates great posts. Her communication with our staff is excellent.

I highly recommend her.

“

PLATFORMS

We work with a variety of social media platforms to make sure that your business has the best exposure possible for your industry.

Management

Never worry about getting a post out again! We will take care of everything from content creation to creating and maintaining a consistent posting schedule.

- ✓ Community Management
- ✓ Optimized Post Scheduling
- ✓ Content Creation
- ✓ Profile Analytic Analyzation and Implementation

Enjoy the benefits of having unique and personalized content posted to your social media profiles every week.

Marketing

Take an integrative approach to growing your business on social media with a mixture of Organic (regular posting) and Paid (ads/boosted posts) content.

We will maximize your ad budget with a variety of techniques to help promote your business without over or under saturating your audiences.

- ✓ Audience Building
- ✓ Facebook Ad Management
- ✓ Instagram Promotions
- ✓ Event Promotion
- ✓ Grow Your Following
- ✓ Build Your Engagement
