COMPANY

Whispering Wind Marketing

Founder & Owner

JUN. 2018 - PRESENT

I launched this business in order to work with businesses as their social media marketer and manager on a freelance basis.

- Work with various clients from a range of industries to promote and manage their businesses on social media.
- Monitor ad campaigns, social media calendars, and analytics.
- Customize services depending on each client's needs.
- This is done as a freelance position wherein I am contracted by these various companies.
