

# What Is The SWYS Program?

A homeownership program designed to serve all local professionals helping them save money when they purchase or sell a home; rewarding them for being rockstars in the community.

A program which evolved from my passion to be of service and make an impact in the communities I service by helping individuals and organizations which impact the lives of children and inspired by my being a by product of this very style of upbringing.

Serves as a local fundraiser for our local schools and programs

Work with a team of affiliate partners offering a one stop shop to assist education professionals with mortgages, insurance, closings, inspections and home warranties. All while making their transaction fun, easy and as stress free as possible.
