

Join us in supporting our club volleyball team through our sponsorship packages! With each sponsorship, **80%** of your contribution will go directly toward covering a player's membership fees, while **20%** supports the essential club needs. In return, your company's logo will be showcased, maximizing your brand's exposure at games, tournaments, and community events. This partnership not only helps young athletes but also promotes your brand within an active, engaged sports community.

*Be part of their journey to success!*
