

# Mike

For over 40 years I have been passionate about Australian Eucalyptus oil. It's amazing therapeutic attributes and remarkable natural freshness simply cannot come from chemicals.

In a career commencing in 1974 I have worked with Eucalyptus oils. In 2012, I created my own unique range of products based on my many years of experience in developing, formulating and marketing eucalyptus and other natural products.

I started with a vision of creating strong and effective natural products that deliver excellent results with minimal usage and cost to the consumer as well as the environment.

If you like using strong products and the best quality that money can buy with a purpose for cleaning around the home and at the office, then I hope you will enjoy the ones I have created. I encourage choosing natural alternatives to chemical products whenever possible.

If you want to know more – contact us at Koala Eucalyptus. Mike is the founder, creator and has a passion for the benefits of All Australian Natural and Pure Eucalyptus Oil.

- Clean
- Sanitise
- Deodorise
- Naturally

**Real Australian  
Eucalyptus Products**

**For the Home, Office  
& Commercial Use**

**Clean and Freshen  
Your Home**

## HINTS & TIPS

### Mould and Mildew

Use the "Mike's Clean and Fresh Mould spray" Spray directly onto the mould or mildew and let it sit for about two hours then wipe or wash off. If using in the shower leave overnight and then wash off. (if the mould is under the silicon you will need to do two or three applications)

### Bathrooms and Toilets

Use the "Mike's Eucalyptus spray" Spray directly onto the surface and wipe off with a clean damp cloth. with toilets add a few drops of Mike's pure eucalyptus to the toilet bowl before and after cleaning. (add half a cap full to the toilet system).

### Laundry and Dishwashing Machines

Use the "Mike's Laundry or Dishwashing Powder". Use one scoop to a full load of clothes or to the dishwasher to help clean and freshen your clothes and dish's. (Add half a scoop of Laundry Powder with Methylated Spirits to form a paste that is a great stain remover)

### Pet stains and Carpet smells

Use the "Mike's Eucalyptus Spray". Spray the area and let sit for 10mins. then with a paper towel soak up the residual, it is also recommended that you then use a damp cloth to rinse the area and the use a paper towel to dry the area.

### Kitchens

Mike's Eucalyptus Clean & Fresh is a highly effective, convenient & natural low - cost formula for everyday cleaning & hygiene. Fantastic in kitchens, bathrooms, toilets and all other household service areas where it can be used to clean & freshen. Ideal for all general household hard surface cleaning

Mike's Path & Garden spray is the smarter natural way to beat weeds. Natural essential oils & extracts No Glyphosate or other harmful chemicals Get ready to be amazed at how effective Mike's Path and Garden Spray is at cleaning up unwanted weeds

## CLIENT LOVE

I tied **Mike's Laundry and Dishwashing Powders**, to my amazement they made the clothes fresh and clean with a slight hint of Eucalyptus, I found that the silverfish and other crawling insects vacated my cupboards where the clothes hung

**Mike's Mould**, actually works, its the first mould spray that I found that removes the mould and doesn't return, i will be using the Mike's Mould spray in the bathroom cupboard.

**Mike's Multipurpose Concentrate**, I use 30% Mike's Multipurpose concentrate with 70% methylated Spirits to clean the grease of bicycle parts which works so well and makes it easier to keep clean and provide protection.

**100% Australian  
Owned & Operated**

"**Mike's Path and Garden Spray** there are no harsh chemical, it works like a dream. just a short walk around monthly and the weeds are gone in a day or two. a great product."
