

Mike's Real Australian Eucalyptus Products

About Mike:

For over 35 years I have been passionate about Australian Eucalyptus oil.

It's amazing therapeutic attributes and remarkable natural freshness simply cannot come from chemicals.

In a career spanning from 1972 until 2009, I worked with Eucalyptus oils in the flavours and fragrances, essential oils, natural health and OTC pharmaceuticals industries.

In January 2009 after a heart attack, I resigned as CEO of Felton Grimwade & Bickford P/L (owners of Bosisto's Eucalyptus Oil), and have worked privately since.

In 2012, I decided to develop and create my own unique range of products based on my many years of experience in developing, formulating and marketing eucalyptus and other natural products.

I started with a vision of creating highly effective natural products that deliver excellent results with minimal usage and cost to the consumer as well as the environment.

I also wanted to make sure the products were not overpriced or oversold on performance.

I have a strong interest and desire to eliminate toxic chemicals from our lives and the environment. I encourage choosing natural alternatives to chemical products whenever possible.

Mike's Eucalyptus Products – www.eucyshop.com.au

I have a strong interest in sharing information on cleaning and hygiene that is practical and helpful to people and families in everyday life.

I want to pass on to younger generations the knowledge and learning that I have gained through my own invaluable experiences and lessons.

I now produce and market my original popular products under the brand “Mike’s Real Australian Eucalyptus” conjunction with Koala Eucalyptus.

I am continuing to introduce many new ways to lessen chemical and packaging usage, with the aim to reduce our environmental footprint, without a huge cost to my customers.

I am also an advocate for women, fairness and justice, the environment and the responsible use and marketing of natural products in society.

If you want to know more – drop me a line or try out one of my products and see for yourself how effective they are.

Kind regards

Mike

Mike's Eucalyptus Oil can be used from top to bottom in any household or commercial application where high level cleaning and freshening or high-level odour control is needed.

Mike's Eucalyptus Products – www.eucyshop.com.au

Here are some highly effective and popular uses:

Remove grease, tar, spots and stains on carpets and soft furnishings clothes: use a few drops on cloth and rub to remove.

Wash floors & hard surfaces: add 1/2 a capful to a bucket of warm water for a sparkling clean & fresh finish. You can also add 1/2- 1 cup of methylated spirits to help cleaning and drying

In the Laundry add ½ to 1 cap to a full wash load for extra powerful & additional cleaning and freshening.

Kitchens: Clean and Sanitise benchtops using eucalyptus oil and methylated spirits mixture - Spray on and wipe off or wipe over with damp cloth moistened with mixture.

Bathrooms and Toilets: Clean Sanitise Deodorise. Wipe over entire area with eucalyptus oil or mixture. Toilets – add a few drops of oil or mixture to toilet bowl during or after cleaning to get rid of germs and remove odours

Stainless Steel: Use either eucalyptus oil or mixture. Wipe over and dry with a clean cloth or paper towel to remove grease grime and fingerprints and avoid streaking

Carpets Clothes Furnishings: Remove oil and grease, stains and other marks using either pure oil or a 15-25% mixture with methylated spirits. Rub towards the centre of the stain. Try the pure oil first and if this doesn't work try the mixture. Be sure to patch test first.

Laundry and Washing: In the wash use a few drops of Mike's Eucalyptus Oil to help clean and freshen when clothes are heavily soiled.

Less Waste / healthier home & environment and lower cost!

Our containers are able to be refilled time and time again which helps reduce waste plus buying in bulk and sharing with others helps lower everyone's cost

Suitable for septic, bio and grey water systems

Good for your home, your family and the environment

Sizes: 100ml, 200ml, 500ml, 1 litre, 5 litre, 20 litre.

Mike's Eucalyptus Spray

- The most convenient and effective way to use eucalyptus oil for almost every use you can think of
- Suitable for an enormous range of uses and in so many situations
- Contains 75- 80% ethanol + 15% Mike's premium quality pure Australian Eucalyptus Oil
- Fantastic for kitchens, bathrooms, bedrooms, laundries, toilets, carpets and more
- Quick Easy Convenient
- 100% Natural & Active
- Zero Waste & Refillable
- Chemical free

Mike's Eucalyptus Spray contains 15% pure Australian Eucalyptus Oil and 75- 80% ethanol.

It is an incredibly powerful & versatile natural cleaner, high power stain remover and having an unbelievably strong and delightful aroma, a natural & effective deodoriser suitable for your home, car, van, boat, sports gear or PPE - there really is no end to its usefulness.

It contains no propellant; no soap is 100% active and there is no waste.

DIRECTIONS FOR USE*

Caution: * Patch test before using if unsure as product may harm the finish on some surfaces or coverings.

HARD SURFACES: e.g. Bench tops, vanities, sinks, basins, baths, showers & screens, toilets and floors: Spray on and wipe off to clean, sanitise and deodorise.

STAIN REMOVER: Carpets and furnishings: Saturate stained area with Mike's Eucalyptus Spray. Work in well. Soak up stain and liquid with clean damp cloth. Remove any remaining moisture by re- applying pressure with a clean dry cloth or paper towel. If stain persists repeat process.

CLOTHES: Spot stains, collars, cuffs and underarms: Spray on until wet before washing

URINE ON CARPETS OR OTHER AREAS: If fresh soak up as much liquid as possible. Saturate affected area with Mike's Eucalyptus Spray. Leave for 30 seconds before soaking up liquid with a dry clean cloth.

DEODORISE & FRESHEN: Use as a general household air freshener or spray directly onto areas that are the cause of unpleasant odours.

Cars, Vans & Boats: Remove tar off paintwork, stains from upholstery and stale odours of any kind naturally.

Less Waste / healthier home & environment and lower cost!

Mike's Eucalyptus Products – www.eucyshop.com.au

Mike's Eucalyptus Multi-Purpose Concentrate

- **Mike's Eucalyptus Multi-Purpose Concentrate is a natural based & biodegradable high-performance cleaning and deodorising concentrate containing 25% Pure Australian Eucalyptus Oil**
- **Mike's Eucalyptus Multi-Purpose Concentrate is a powerful floor cleaner, laundry aid and pre-wash stain remover and suitable for a wide range of household mop & bucket cleaning and commercial applications.**
- **It can be used concentrate or diluted to achieve excellent results under the toughest conditions and contains the powerful natural deodorising and cleansing properties of 100% pure Australian Eucalyptus Oil**

Whether in the home, office, warehouse or heavy industrial facility - no matter how tough the task - heavy soiling and or strong offensive odours can readily be dealt with in an effective natural way.

It is one of the strongest and effective Natural Cleaning and Deodorising products for hard surfaces using eucalyptus oil as the key ingredient I have ever formulated

Mike's Eucalyptus Multi-Purpose Concentrate will remove most common household stains and residues eg: oils and fats, grease marks, wax, crayon, lipstick, ink, chewing gum, sticky tape, tar, grass stains, tyre marks, urine, and other residues.

DIRECTIONS FOR USE*

For General "mop and bucket" cleaning & freshening add 1-2 capfuls per 6- 8 litre of water. Will leave areas fresh and clean.

FLOORS: For a sparkling finish add 1-2 capfuls to a 6- 8 litre bucket of water. You can also add ½ - 1 cup of methylated spirits to aid drying.

TOILETS: Add 1-2 capfuls to bowl to scrub clean & freshen

LAUNDRY: Add 1-2 capfuls per wash for impressive cleaning and odour removal. Prewash: Add directly onto stains and grease marks allow to sit for 30 minutes before washing.

SOAKER/ DEODORISER: Add 50ml - 100ml to 6-8 litres of water and soak for up to 48 hours then wash and rinse afterwards for best results.

PET BEDDING & BLANKET WASH: Add up to 50ml to soak and machine wash. Do not use any other detergent. Soak overnight or longer if required then wash on normal or heavy cycle.

LAST RESORT CLEANING

Mike's Eucalyptus Multi-Purpose Concentrate is a powerful deodoriser and will eliminate both heavy soiling as well as any unpleasant odours from washable clothing and areas. eg urine, incontinence (pets or human), vomit, sweaty or musty clothing, towels, blankets, rugs and covers etc.

Mike's Eucalyptus Products – www.eucyshop.com.au

Mike's Clean & Fresh for Mould

- **Fantastic for toilets, bathrooms, musty, damp or wet areas**
- **Eliminates and suppresses Mould growth Naturally**
- **Ideal for all general household hard surfaces where heavy soiling or odours occur.**
- **Natural mould killing and sanitising properties of Clove, Eucalyptus and ethanol**
- **Contains no chlorine (bleach) or chemical-based mould killers**

Mike's Clean & Fresh for Mould is highly effective in eliminating mould from most hard surfaces as well as being an excellent heavy duty cleaner, deodoriser + sanitiser with 70% ethanol content.

Clove, Eucalyptus Oil and alcohol are powerful anti-mould and cleaning agents that work together to kill and suppress mould growth and provide a high level of cleaning on most hard surfaces plus powerful and long-lasting odour control.

Mike's Clean & Fresh for Mould is an amazingly effective product for eliminating and suppressing mould growth in and around stale damp & wet areas around the home or in caravans, campers, trucks, boats etc.

Mike's Clean & Fresh for Mould will also effectively remove strong and unpleasant odours from bathrooms, toilets, and any other areas that require it.

Most people who use my Mould Spray love it and rave about it. It's a genuine hit with people and is an amazingly versatile product for general household use.

Less Waste / healthier home & environment and lower cost!

Our containers can be refilled which can help reduce waste plus buying in bulk and sharing with others helps lower every one's cost and impact on the environment.

Suitable for septic, bio and grey water systems - Good for your home, your family and the environment

DIRECTIONS FOR USE*

Always patch test if unsure of suitability*

Hard Surfaces: Spray directly onto surfaces affected by mould growth. Leave on mould for as long as possible before washing off. Scrub off with a clean coarse wet cloth or soft brush combination.

To suppress future mould growth - wipe area dry and respray area with Mould Spray as part of your normal cleaning regime for the area.

Mike's Eucalyptus Products – www.eucyshop.com.au

Mike's Eucalyptus Clean & Fresh

- **Mike's Eucalyptus Clean & Fresh is a highly effective, convenient & natural low cost formula for everyday cleaning & hygiene that is sold in a ready-to-use refillable spray.**

Mike's Eucalyptus Products – www.eucyshop.com.au

Mike's Path & Garden Spray

Mike's Path & Garden spray is the smarter natural way to beat weeds

- **Sends unwanted weeds packing**
- **Natural essential oils & extracts**
- **No Glyphosate or other harmful chemicals**

Get ready to be amazed at how effective my Path and Garden Spray is at cleaning up unwanted weeds using my unique concentrated blend of natural ingredients in my natural base.

Less Waste / healthier home & environment and lower cost!

Our containers can be refilled which helps reduce waste plus buying in bulk and sharing with others helps lower everyone's cost

Directions for Use:

Spray during hot and dry conditions when weeds are being stressed and at the driest and hottest times of the day improves effectiveness.

Only use on unwanted weeds and do not overspray

Spray from as close as 4-5 inches (100 - 125mm) in a sweeping pattern. Fully wet the weed with spray using gentle squirts with the nozzle set on "Jet".

Respray anytime from 2-7 days if required to suppress any remaining weeds.

Repeat as required to maintain a weed free path or area and it takes little time to maintain once you see the effectiveness.

Patch test on a few weeds or small area if unsure of suitability

Do not spray in windy conditions or if rain expected within 6 - 12 hours.

Do NOT spray in or near eyes or mouth and do not swallow.

Wash hands normally after use as it is a concentrated solution

USAGE AROUND PETS - Caution this product contains essential oils that may be harmful to animals if licked or the weeds chewed and swallowed so be aware if pets are around and monitor / remove from area if they do show signs of interest in the weeds being sprayed.

In my experience I have not found any interest from cats and dogs and have had no reports of any interest from the pets of other users of the product to date

DO NOT MISUSE - purchaser assumes liability when using.

Mike's Eucalyptus Products – www.eucyshop.com.au

Mike's Eucalyptus & Metho Mix

- Soap & chemical free natural cleaning & sanitising at its best and can be used anywhere anytime - no rinsing required
