

Here is a brief overview of the latest developments of the Sweet Pea Foundation:

Shop AmazonSmile and support the Sweet Pea Foundation!

AmazonSmile is a website operated by Amazon with the same products, prices, and shopping features as Amazon.com. The difference is that when you shop on AmazonSmile, the AmazonSmile Foundation will donate 0.5% of the purchase price of eligible products to the Sweet Pea Foundation. To shop at AmazonSmile simply go to smile.amazon.com from the web browser on your computer or mobile device. On your first visit before you begin shopping, you will need to select the Sweet Pea Foundation as your charitable organization to support. Amazon will remember your selection, and then every eligible purchase you make will result in a donation to the Sweet Pea Foundation. You use your same account on Amazon.com for AmazonSmile so no need to set up a new account or password if you already shop on Amazon.com. It only takes a few minutes to do, and you will be helping the Sweet Pea Foundation with no additional cost to you! The Foundation has already received several contributions through this wonderful online opportunity.

"I would like to thank you for the gift bag my daughter received yesterday at Memorial Hospital before her surgery. It was the highlight of her day and she loved every single thing she pulled out of the bag and was so enthusiastic about everything. It made all of us forget for just a moment what we were doing there. Thank you so much again."
