ADOPT A GRANDPARENT HOLIDAY PROGRAM

Sponsored by Fisher Outreach Group, Inc. & Co-Sponsored by Campion Curran Law, P.C.

[Crystal Lake, Illinois, October 26, 2021] — We are thrilled to announce that our 2021 Holiday program will focus on the senior and senior veterans throughout McHenry County.

We have adopted the residents at the Fair Oaks Health Care Center in Crystal Lake, the residents of the Lutheran Social Services of Illinois's Gable Point location in Crystal Lake, and will be working directly with seniors and senior veterans who are referred to our program.

Our experience during the Covid pandemic opened our eyes to how many seniors there are in McHenry County who don't have family or friends as part of their support system. Seeing the great need in our community we decided to redirect our annual gift giving program for 2021 to our local senior citizens.

Fisher Outreach Group, Inc. is a McHenry County Non-Profit Organization that works on 100% volunteer power to provide assistance to area residents in need, assists other non-profit organizations with their programs and works directly with veterans, seniors and local families in need.

It is our goal to provide holiday gifts and much needed necessities to these residents and to remind them that they are not alone or forgotten.
