Revitalize your summer rides with the revolutionary City Robin X+. Its cutting-edge design, featuring sleek, integrated wires, promises to be a showstopper, leaving a trail of admiring glances as you zip past. This model is not just a newer version, but an ambitious evolution of our flagship design.

It strikes the perfect equilibrium between the utility of a compact cargo e-bike and the laid-back vibe of a comfort cruiser. Ergonomically-designed with curved handlebars and an adjustable stem, the City Robin X+ assures a ride that's as comfortable as it is thrilling.
