

I use this chart to continue the discussion about roles in the teacher teams. Sometimes I have completed the Role of Facilitator section, sometimes I ask the “team leaders” to agree on how to complete it.

Roles and Responsibilities in Teacher Teams

Role of Facilitator	Role of Members
<p>To Facilitate: to assist the progress of; help forward progress Facilitator is NOT the boss or in charge.</p> <p>Maintain and increase social capital in his or her teacher team. If team teachers are engaging in quality interactions focused on teaching and learning, then their students' achievements will improve. <i>Venables, 2018</i></p> <p>In order to do this the facilitator must do the following;</p> <ul style="list-style-type: none"> -use protocols, -ask thought provoking questions, -model respect and honesty in discussions, -ensure all voices are heard, -keep team focused -work for the good of the team. -Have an open mind -Delegate tasks
