

PLUMAS EUREKA VILLAS HOME OWNERS ASSOCIATION

Revised 04/24/11

Property owner electronic communication consent form

The Board of Directors of the Plumas Eureka Villas Owners Association are in favor of changing our means of communicating with all property owners to be more in line with today's electronic age. The forms of communication we will use are e-mail and community web site postings.

In order to do this we are required by California civil code 1350.7 to have your written consent and maintain this authorization on file.

You are within your rights to continue to only receive communication in hard copy written form. If you so desire, you do not need to return the form. If you opt in to electronic communication and later change your mind, you may use the bottom of the form to opt out of the electronic communication consent request outlined in this notification.

If you want to receive association communication via email, please complete the lower portion of this consent form and return it to the Plumas Eureka Villas Home Owners Association, P O Box 382, Blairsden-Graeagle, CA 96103, fax or by electronic scan and e-mail to Joleen Cline at jcline11@jps.net or by fax at (530) 831-4083 to be maintained on file as your written consent to future electronic communication from the Board of Directors.

I/we **consent** to receiving Plumas Eureka Villas Home Owners Association communication via e-mail in accordance with California civil code 1350.7, effective 5/1/2011
