

Constitution 2025

This organization shall be known as South Carroll Aeromodelers or SCA.

The objectives of this organization are as follows: To promote and encourage the design, construction, and flying of radio controlled model aircraft.

To exhibit fellowship among radio controlled modelers in South Carroll County in the participation of model aviation.

To endorse and actively participate in community involvement to exemplify community spirit among model aviators.

Membership in South Carroll Aeromodelers shall be determined as follows: Membership limitations, if any, shall be determined by South Carroll Aeromodelers and so recorded in the official SCA By-Laws.

Membership limitation is subject to change with membership approval and in accordance with the By-Laws.

New members, 18 years and older, are required to pay a non-refundable application fee of twenty dollars U.S. legal currency in addition to yearly dues applicable.

All members must pay dues, fees and other financial obligations as set forth by the South Carroll Aeromodelers.

All members must follow the club's Constitution, By-Laws, Club policies and Field Regulations as set forth by South Carroll Aeromodelers.

Members are not permitted to operate or control model aircraft at any club facility unless said member is also a current member of the Academy of Model Aeronautics (AMA), and is accompanied by a qualified pilot or has demonstrated the ability to successfully take-off, control, and land model aircraft.

Membership entitles said member to participate in all activities of this organization.

All applicants for new membership must be made in person at a scheduled meeting. The member must make arrangements for pickup of membership card. The Board of Directors shall be responsible for the enforcement of this directive.
