

RazerCam™ Universal Skid Steer Kit

By Dakota Micro, Inc.

Custom kit includes bracket that utilizes existing buzzer hole on specific Bobcat models

- True HD Resolution (720P)
- 1 Year Warranty
- 16:9 aspect ratio so image doesn't need to be "stretched" to match monitors
- Improved color and clarity over standard analog video cameras
- Increased ability to interpret shadowed areas, allowing for a larger viewing area
- Built-in, high-quality CCD camera with high-performance lighting
- Auto on IR Lighting
- 100% Waterproof
- Standard camera lens features a 170° RazerCam wide angle horizontal field of view
- Kit includes 7in monitor w/bracket and 2 in cab monitor mounting options, 15ft power/video extension cable & RazerCam camera with 2 camera mounting brackets options

GET THE VIEW YOU'RE LOOKING FOR

Actual view from monitor mounted in skid steer

Wide angle camera allows users to view full width of 16' door

Custom heat shield for higher horse power Bobcats, which protects relocated buzzer and camera

Mounting bracket for specific Bobcat models which allows camera to be mounted in existing opening
