# Music Request List

With this form you can request the songs you would like to hear at your special event. Of course EventOne can take requests in person at the event as well from you as well as your guests!

Make as many copies of this page as needed to list all of your requests

Over the past several decades popular music more and more has been laced with explicit lyrics. EventOne has a standing policy in place to play only radio friendly clean versions of songs at your event. This is especially true at events where children are present. Please select below from the three options regarding your consent for songs with explicit language at your event.

Continue with your Clean Versions Only policy ☐ We are ok with some Explicit Lyrics ☐ We are fine with any Explicit Lyrics ☐
