AVAILABLE: WHILE SUPPLIES LAST!

A toast to the hardest workers on the farm. Blossom Eater is the perfect balance of crisp apple and sweet apple blossom honey, foraged from hives located around our orchard. We raise our glass to the ones that make cider possible, the pollinators, nectar eaters, the bees of Blake's.

Blake's Hard Cider Co. is one of Michigan's first craft cideries, offering an adventurous exploration of all things cider. By growing, pressing and fermenting our own apples, we're proud to introduce a truly uncompromised hard cider.

All natural and always made fresh, Blake's is the first hard cider you actually want to be seen with.
