PORT  
DISTRICT**

P.O. BOX 727  
SHAWNEETOWN, IL 62984

Shawneetown Regional Port District  
Industrial Site Readiness in Gallatin County  
Scope of Work (Request for Proposals)

#25-912201

**Wiring/Electrical** – to include costs associated with the purchase and installation of under ground wiring and electrical components necessary to deliver 3-phase, 480 volt power from the utility to the dewatering pumps. Line voltage 12-470 to transformers breaking power to 3-phase 480 volts. Transformer to be supplied by the Village of Old Shawneetown. Coordination with the Shawneetown Regional Port District and Village of Old Shawneetown will be necessary.

Any Questions may be directed to Steve J. Galt 618-525-7956
