5 WAYS TO HYDRO MINI

Homemade Salad Dressing

Ideal for meal-preppers and lunch-packers, this mini bottle keeps dressings fresh until it's time to shake and serve. Leakproof and easy to clean = no soggy salads.

Espresso Shot or Cold Brew Concentrate

Caffeine lovers, rejoice. Your espresso is now hot (or cold) to go. It's also ideal for cold brew concentrate when you want to mix your drink fresh.

Hot Water for Instant Meals

Ramen, oatmeal and tea on the fly is easier than ever. Insulated, the Micro Hydro keeps liquids hot up to 7 hours, so it's ready when you are.

Camp Olive Oil

Pack just enough olive oil for cooking on the trail, prepping backpacking meals or upgrading campsite dinners.

Go-To Powder Mixes

Bring your go-to electrolyte, vitamin or packet powders in a mess-free bottle. Add water when you're ready, shake and sip.

*Do not use with carbonated beverages.

FIND THE RIGHT FIT

Umbrellas are not one size fits all. Coverage, construction, and opening style all influence how an umbrella performs. This guide makes it easy to compare key features and choose the option that fits your needs.
