The following documents and items will be provided by the breeder, to the purchaser: Vet check which includes first set of vaccines and fecal check, puppy starter bag which includes the food they are currently eating (enough for 1 week), a pack of disposable pee pads, chew toys, crate blanket with moms scent, break away collar and leash and AKC registration paperwork.

The puppy is sold to the purchaser on the following conditions:

The breeder has followed the breeders national club guidelines and used the kennel club health schemes and certifications to ensure that the sire and dam are sound breeding stock. All parents have been genetically health tested. The puppies have been raised in a clean home environment and will have been wormed at 2,4,6,8 weeks of age. The puppy is believed to be in good health.

The purchaser is strongly advised to have the puppy's health checked within two (2) of collecting the puppy. If the vet certifies that there is any problem which makes the puppy unfit for sale (must provide copy of documentation notes from the vet), provided the puppy returned in the same conditions as when it was sold, and within 5 days, the breeder will take the puppy back and refund the full purchase price or agreed upon the next litter puppy. The

breeder will not pay expenses incurred in the return of the puppy nor accept any claim of distress caused by the return.

The breeder has pointed out to the purchaser the main conditions the breed is prone to and the health schemes followed to reduce the risk of such conditions. Every puppy is an individual and the breeder cannot be held responsible should conditions, genetic or otherwise, develop later in life.

Your puppy will have a 1-year guarantee on the heart, liver, lungs, and kidneys and a lifetime of breeder support.

The purchaser agrees that the dog will be kept in appropriate conditions for its welfare and health. It will be fed a suitable diet for its age and condition and have appropriate exercise. It will receive all necessary veterinary care to maintain its physical good health. The dog will be kept under appropriate control and will not be neglected or maltreated in any way. The purchaser attests that he or she has not been banned from keeping a dog or any other animal by any legal court.

If circumstances occur where it becomes necessary to re-home the dog, the breeder must first be notified and given 1st opportunity to take back the dog either by purchase in the case of selling or to home it if it is in need of rescue.
