Consultation Services

New Construction

Dare 2 Design offers full-service design project consultation for new build construction. Our design team serves as a bridge between you and your build partners and work closely with them to quickly answer questions to keep your project on schedule. Using an Interior Designer from the beginning provides our clients with a piece of mind that the final result will be a cohesive space with rooms that flow together both functionally and aesthetically. Our design team strives to break down the overwhelming selection process into something that is manageable and enjoyable. Let's get started!

Our design/consulting services include but are not limited to :

- Space planning
- 3-D renderings
- CAD drawings
- Electrical & Plumbing walk through
- Exterior selections
- Built-In designs
- Floorcoverings
- Cabinetry
- Plumbing
- Lighting
- Appliances
- Cabinetry Hardware
- Paint
- Kitchen & Bath

Furnishings

A beautiful new home or space is not complete without furniture, rugs, window treatments, blinds and accessories. Our design team works with you to ensure your vision is reflected in your furnishing choices. With access to our hundreds of furniture suppliers our design team focuses on selections that perfectly fit your style and needs. Whether you are designing a new look or incorporating pieces you currently have, our team will work with you to bring your style together for the cohesive, beautiful home that you've always dreamed of having.
