

June Newsletter

June marks the official start of summer adventures, longer days, and calendars filling with family vacations, bucket list journeys, and spontaneous getaways. There is something magical about this season. The anticipation of packing bags, boarding planes, setting sail, or simply stepping away from everyday life to reconnect with the people and places that matter most.

At Journey Whisper Travels, summer reminds us that travel isn't just about destinations... it's about experiences, memories, and stories you'll tell for years to come.

UPCOMING WINDSTAR CRUISES

If you're looking for something amazing, try sailing with Windstar Cruises. Their intimate small ships offer a relaxed, yacht-style atmosphere that feels worlds away from crowded mega-ships. With fewer guests onboard, travelers enjoy personalized service, exceptional dining, and access to smaller, more unique ports that larger ships simply can't reach. Imagine lingering longer in charming coastal towns, enjoying uncrowded decks, and experiencing destinations in a more authentic, immersive way.

WHY SUMMER IS THE PERFECT TIME TO PLAN FUTURE TRAVEL

While summer is peak travel season, it's also one of the smartest times to plan future adventures. Many of the most sought-after cruises, specialty group departures, and luxury experiences begin filling 12-18 months in advance. Early planning often means better pricing, preferred accommodations, more flight options, and less last-minute stress.

If you've been dreaming about a river cruise through Europe, an Alaska adventure, an all-inclusive getaway, or joining one of our hosted group experiences, now is the time to start the conversation. Travel planning should be exciting not overwhelming and we love helping turn "someday" into "booked!"

As we celebrate Father's Day this month, we honor the dads, grandfathers, stepdads, and father figures who help shape our greatest adventures in life. Some of our favorite memories are made through travel, from family road trips and fishing excursions to bucket list journeys shared together reminding us that time spent exploring the world with loved ones is one of the greatest gifts of all.

Our June travelers are headed to:

Disney Cruise- Bahamas

Honeymoon- Punta Cana
