

September Newsletter

As summer fades and the crisp air of autumn begins to settle in, September opens the door to some of the year's most rewarding travel experiences. It's the perfect time to explore the world without the peak season crowds, enjoy milder temperatures, and discover destinations at their most beautiful.

Whether you're dreaming of strolling through vineyards during harvest season, watching the Northern Lights dance across Arctic skies, cruising colorful European rivers, or escaping to a tropical beach before the holiday rush, September offers something for every traveler.

LOOKING AHEAD

The holiday season is closer than you think! If you're considering last minute Thanksgiving, Christmas markets in Europe, New Year's cruise, or a winter getaway to escape the cold, now is the ideal time to find some last minute deals.

Let us help you schedule a customized hunt featuring incredible opportunities for trophy game, experienced guides, and an unforgettable Hill Country experience. Whether you're planning a solo trip or bringing a group, we'll take care of the details so you can focus on the hunt.

WHERE HAS JWT BEEN LATELY?

It's been quite a summer for Journey Whisper Travels! We've had the pleasure of hosting several groups throughout Europe, including a Western Mediterranean cruise aboard Celebrity, exploring the gorgeous French Riviera, followed by our Bordeaux wine-themed river cruise through one of France's most famous wine regions.

And there were some pretty unforgettable moments along the way! We sampled a bottle of wine dating back to the 1930s, watched a solar eclipse from aboard our Avalon river cruise, stood face-to-face with the Mona Lisa at the Louvre, and visited two of the smallest countries in the world...Monaco and Vatican City.

From wine cellars and river cruises to iconic landmarks and once-in-a-lifetime moments, it's been an incredible few months of exploring, learning, and making memories alongside our travelers. And we're not done yet... Croatia is next! 🇪🇺

Our September travelers are headed to:
