# Hi, I'm Rhonda!

## AUTHOR & SPEAKER

Rhonda is an author, speaker, and survivor whose life story is a powerful testimony of God's redeeming grace. Her story is one of survival, redemption, and discovering God's truth after years of believing the lie that her life had no value. Growing up in a turbulent lifestyle where she was repeatedly told she was "a mistake," Rhonda endured abuse, trauma, abortion coercion, miscarriages, infertility, loss, and cancer. Yet through every trial, God preserved her life and eventually revealed the powerful truth of Psalm 139:13-14—that every person is fearfully and wonderfully made.

Today Rhonda shares her testimony with churches, conferences, and women's groups everywhere. Her mission is to help people break free from shame, heal from past wounds, and embrace the truth that no life is accidental in the eyes of God.
