“Keepers” is a fantasy story about soulmates, survival, and sacrifice. Jules is a Keeper. She protects human souls. Twin brothers London and Angel are Takers. They steal souls. When London is sent to kill Jules he falls in love with her instead. In order to save humans, themselves, and the ones they love, London, Jules, and Angel have to use their unique powers to fulfill a prophecy in an ultimate duel of minds with the twins’ mother.

Kate must find her brother Kris during the chaos of an apocalypse in “The Interrogator.” Kris has been captured by ghouls and most likely already turned into one of them. But Kate and Kris have promised to kill each other if one of them is turned. So either way, she will save him, or kill him. Kate, a resourceful hunter, is ruthless when it comes to interrogation and uses of every method of torture possible to get answers.
