Performance Friday 12:00 pm

This summer camp program offers the string student a chance to broaden their musical talent. Limited camp size of 20 students and 3-4 coaches enables each child to receive more individualized coaching on their instrument. Scheduled activities include orchestra and small ensemble groups for music reading skills, music theory, music history, and fun musical games that strengthen their musical skills. During the four-hour daily sessions, students will increase their proficiency on their instrument and their music reading ability. Each day they will rehearse 5-7 different pieces, learn about music history, study a musical composer, and explore music theory. This will be learning experience masked with great fun! A perfect way to continue on their instrument during the summer and be ready for the new school year! All students will receive a T-shirt, music packet, workbook, and a morning snack. 🎵
